In Other Words: Literature by Latinas of the United States Roberta Fernández, 1994-01-01 Roberta Fernández has gathered the best and most representative examples of fiction poetry drama and essay currently being written by Latina writers of the United States The work is arranged by genre and topics are as varied as the voices and styles of the writers the challenge of living in two cultures experiencing marginality as a result of class ethnicity and or gender Latina feminism the celebration of one's culture and its people Most of the pieces are in English and some are presented bilingually in English and Spanish A preface and an introduction by the editor and a foreword by the noted critic of Latin American literature Jean Franco serve to contextualize the writers and their work a primary and secondary bibliography serves as an appendix **A Comprehensive Book of Objective Structured Clinical Examination (OSCE) in General Medicine** Sunil Kumar, Sourya Acharya, 2024-06-05 Evolutionary process of teaching and learning in Clinical Medicine is changing in metastatic proportions and adapting to these new changes are mandatory for the disciples to remain up to date with the changing scenario Objectively structured clinical examination OSCE the by far the most algorithmic and methodical process of evaluation OSCE has been implemented in the Competency based medical curricula by National Medical Council This book promises to cater to all aspects and processes of OSCE So Students Let's get started **Recovering Jesus** Thomas R. Yoder Neufeld, 2007-08-01 In Recovering Jesus Thomas R Yoder Neufeld leads you through an honest and careful study of the testimony of Jesus's first century followers as well as more recent scholarly and popular witnesses The result is a journey that will challenge you to move beyond the Jesus you think you know to a deeper understanding of who he was and why he matters This text will be a valuable tool in academic settings as well as for believers and nonbelievers alike who want to know the real Jesus **Power Performance** Tony Silvia, Terry Anzur, 2011-03-21 This book is a unique and definitive guide to the skills necessary for on camera journalism and offers an invaluable behind the scenes look at the profession Tailors the traditional skills of writing reporting and producing to the needs of journalists working in front of the camera Includes chapters devoted to the role of the storyteller reporting the story across multiple platforms and presenting the story on camera Incorporates profiles of leading multimedia journalists and public relations practitioners Addresses the key ethical issues for the profession Offers practical advice for putting presentation skills to work Storytelling skills covered can be applied to a variety of traditional and new media formats including television news radio and podcasts **Sesostris - Scheschongq - Sesonchosis**, 2024-07-29 Why Sesostris Why does the classical antiquity tell stories about this Egyptian hero king of the second millennium BC On which basis The contributions of this conference volume try to systematically answer the question how these narratives come into being and grow It is not a single historical king Sesostris Rather the literary tradition of two millennia augments the story with the later Sheshonq kings makes Sesostris the international hero of demotic narratives and finally leads to the Greek Sesonchosis Romance which itself is widely received All this takes place in

an international cultural context Warum gerade Sesostriis Warum werden ausgerechnet ber diesen gyptischen K nig des frhen zweiten Jahrtausends v Chr in der Klassischen Antike Heldengeschichten erz hlt Auf welcher Grundlage Die Beitr ge dieses Tagungsbandes gehen systematisch der Frage nach wie diese Erz hlungen entstehen und wachsen Es ist nicht ein einziger literarischer K nigs Sesostriis Vielmehr reichert die literarische Tradition ber zwei Jahrtausende den Stoff um die sp teren Scheschonq K nige an macht Sesostriis zu einem internationalen Helden demotischer Erz hlungen und f hrt zum griechischen Sesonchosis Roman All dies geschieht in einem internationalen kulturellen Rahmen **Endangered**

Languages and New Technologies Mari C. Jones,2014-12-04 At a time when many of the world s languages are at risk of extinction the imperative to document analyse and teach them before time runs out is very great At this critical time new technologies such as visual and aural archiving digitisation of textual resources electronic mapping and social media have the potential to play an integral role in language maintenance and revitalisation Drawing on studies of endangered languages from around the world Europe Asia Africa and North and South America this volume considers how these new resources might best be applied and the problems that they can bring It also re assesses more traditional techniques of documentation in light of new technologies and works towards achieving a practicable synthesis of old and new methodologies This accessible volume will be of interest to researchers in language endangerment language typology and linguistic anthropology and to community members working in native language maintenance Information Power Pack Carol Koechlin,Sandi

The Art of Revision Peter Ho Davies, 2021-11-02 The fifteenth volume in the Art of series takes an expansive view of revision on the page and in life In The Art of Revision The Last Word Peter Ho Davies takes up an often discussed yet frequently misunderstood subject He begins by addressing the invisibility of revision even though it s an essential part of the writing process readers typically only see a final draft leaving the practice shrouded in mystery To combat this Davies pulls examples from his novels The Welsh Girl and The Fortunes as well as from the work of other writers including Flannery O Connor Carmen Machado and Raymond Carver shedding light on this slippery subject Davies also looks beyond literature to work that has been adapted or rewritten such as books made into films stories rewritten by another author and the practice of retconning in comics and film In an affecting frame story Davies recounts the story of a violent encounter in his youth which he then retells over the years culminating in a final telling at the funeral of his father In this way the book arrives at an exhilarating mode of thinking about revision that it is the writer who must change as well as the writing The result is a book that is as useful as it is moving one that asks writers to reflect upon themselves and their writing

Newspapers Peter Grundy, 1993-02-04 Presents practical ideas that show teachers how they can make effective use of English language newspapers in the classroom This work features activities that include ways of exploiting newspapers both for their language and their cultural content

Narrative Causalities Emma Kafalenos, 2006 Narrative Causalities offers both an argument and a methodology The argument is that interpretations of the consequences and causes of events are contextual and that narratives by determining the context in which events are perceived shape interpretations The methodology on which the argument is based is a theory of functions A function in this theory is a position in a causal sequence A set of functions provides a vocabulary to analyze and compare interpretations of the causes and consequences of events in our world in narratives about our world and in fictional narratives

Solving Bible Mysteries D. James Kennedy, 2000-08-13 Often a Bible passage s meaning is obvious But sometimes Scriptures seem incomprehensible even contradictory How do we as believers correctly interpret these puzzling passages The author of What If Jesus Had Never Been Born and What If the Bible Had Never Been Written takes an in depth look at passages of Scripture that are difficult to understand From an overview of the dichotomy of faith versus works to the meaning behind I John 3 9 Whoever has been born of God does not sin NKJV Solving Bible Mysteries offers powerful insight on some of Christianity s challenging questions

From the Edge Allison E. Fagan, 2016-07-14 Chicana o literature frequently depicts characters who exist in a vulnerable liminal space living on the border between Mexican and American identities and sometimes pushed to the edge by authorities who seek to restrict their freedom As this groundbreaking new study reveals the books themselves have occupied similarly precarious positions as Chicana o literature has struggled for economic viability and visibility on the margins of the American publishing industry while Chicana o writers have grappled with editorial practices that compromise their creative autonomy

From the Edge reveals the tangled textual histories behind some of the most cherished works in the Chicana o literary canon tracing the negotiations between authors editors and publishers that determined how these books appeared in print Allison Fagan demonstrates how the texts surrounding the authors words from editorial prefaces to Spanish language glossaries from cover illustrations to reviewers blurbs have crucially shaped the reception of Chicana o literature To gain an even richer perspective on the politics of print she ultimately explores one more border space studying the marks and remarks that readers have left in the margins of these books From the Edge vividly demonstrates that to comprehend fully the roles that ethnicity language class and gender play within Chicana o literature we must understand the material conditions that governed the production publication and reception of these works By teaching us how to read the borders of the text it demonstrates how we might perceive and preserve the faint traces of those on the margins *The Holy Bible According to the Authorized Version (A.D. 1611)* Frederic Charles Cook,1875 **Making Progress in English** Eve Bearne,2006-09-07 This manual is designed to help teachers establish a principled framework for developing English at Key Stages 1 and 2 Covering all aspects of English it will help teachers raise standards of achievement in pupils at all levels of fluency and confidence The author uses case study material to relate theory to practice covering issues such as classroom organization and management She also provides guidance for planning and developing ideas with colleagues and with children and offers suggestions for teaching strategies with photocopiable sheets and formats and ways to evaluate teaching Separate sections deal with reading writing speaking and listening and these different threads are drawn together in sections on knowledge about language including spelling grammar and punctuation and study of texts including media poetry drama response to literature and the use of non fiction texts The final section deals with policy and schemes of work Each chapter also offers information on assessment recording and reporting linked to scales of progression frameworks for screening and supporting children who have difficulties with English gender working with parents linguistic and cultural diversity Eve Bearne teaches at Homerton College Cambridge
