Question: Why is Ethics Important? - correct answer To further the welfare of the client

3 Fundamental Questions of Ethical Practice - correct answer 1. What is the right thing to do?

2. What is worth doing?

3. What does it mean to be a good behavior analyst?

1. What is the right thing to do? - correct answer -Considerations related to cultural practices: what may be acceptable in one culture is not in another

-Differences across time: what may have been acceptable 20 years ago is not today

Things to Help You Guide the Decision-Making Process - correct answer 1. Professional Training and Experience
