Mentoring in Formal and Informal Contexts Kathy Peno, Elaine M. Silva Mangiante, Rita A. Kenahan, 2016-03-01
Mentoring in Formal and Informal Contexts is a collection of invited works on mentoring in the many contexts in which it exists. Working with AHEA the editors identified authors that have demonstrated experience and or have published in this area. The book is arranged thematically: health care education, the workplace, etc. and further sub-themed as appropriate. Mentoring in Formal and Informal Contexts is important because it fills a unique niche in the field of adult education, extends the scope of AHEA to a larger audience, and offers a current volume for scholars and practitioners based on both research and practice-based research. The audience: This collection is appropriate for a wide variety of professors, researchers, practitioners, and students in the field of adult education.

African American Folklore Anand Prahlad, 2016-08-08
African American folklore dates back 240 years and has had a significant impact on American culture from the slavery period to the modern day. This encyclopedia provides accessible entries on key elements of this long history, including folklore originally derived from African cultures that have survived here and those that originated in the United States. With its alphabetically organized entries that cover a wide range of subjects from the word conjure to the dance style of twerking, this book provides readers with a deeper comprehension of American culture through a greater understanding of the contributions of African American culture and Black folk traditions. This book will be useful to general readers as well as students or researchers whose interests include African American culture and folklore or American culture. It offers insight into the histories of African American folklore motifs, their importance within African American groups, and their relevance to the evolution of American culture. The work also provides original materials such as excerpts from folktales and folksongs and a comprehensive compilation of sources for further research that includes bibliographical citations as well as lists of websites and cultural centers.
