Coaching Cultures Neil Carter,2014-06-11 Coaches are amongst the most visible figures in sport today but little is known about the history of their profession This book examines the history of coaching from the early nineteenth to the late twentieth century It uses a number of sports as case studies that includes cricket swimming rugby union athletics football and tennis The focus is largely English but international examples are used to illuminate the British context A number of themes are explored Initially in the 1800s the coach was like an artisan who learned his skills on the job and coaching was similar to a craft Early coaches were

professionals but from the late nineteenth century an amateur elite governed British sport who inhibited and in some sports banned coaching. As the twentieth century progressed though different sports at different stages began to embrace coaching as international competition intensified. In addition the nature of coaching changed as a more scientific and managerial approach was applied. Finally in football the export of early British coaches is examined in light of the migration of international athletes and also as a process of knowledge transfer. This book was published as a special issue of *Sport in History*.

**Rugby Classics: Total Rugby** Jim Greenwood, 2015-04-23. A celebration edition of this ultimate classic rugby coaching manual. *Total Rugby* and *Think Rugby* are rugby classics, two of the most important and influential books ever written on the game of rugby. Thousands of players and coaches around the globe have benefited from the concepts and methods in these books, equipping them with the coaching skills and strategy to play the very best in fifteen a side rugby. *Total Rugby* has become one of the game's most seminal coaching manuals; it highlights inspirational rugby coach Jim Greenwood's radical examination of every facet of the game and his ability to clearly convey the wealth of knowledge he accumulated over many years in the sport. It is the antithesis of play safe rugby; an open, ebullient game in which every player is encouraged to show what he can do as an attacker, defender, and supporting player.
