Phallus Aforethought English Edition:

Phallus Aforethought Charles Cadman,2015-07-28 Phallus Aforethought is light hearted and humorous but with a painful edge of reality The story of four men from different countries who meet in Thailand and decide to take a short vacation together to the infamous seaside fun town sin city of Pattaya Through their dialogue banter and actions it reveals their attitudes towards women both in Thailand and the West as well as to sex marriage and relationships To counterbalance this there are the views and the normally untold stories of the women they encounter both in Thailand and their home countries The story is an expos of what attracts so many men to Thailand Equally it reveals the choices or in some cases lack of real choice facing many young people predominantly women in Thailand who come from the impoverished farming region of Isaan

Just One More Step Nathan J.D.L. Rowark,2013-11-19 In the deepest darkest regions of space exists our end The human race are powering up their thrusters and proudly waving their pistols in the air to take care of the stars and its inhabitants But they find more than they bargained for beyond our solar system They may even find what they deserve

Got Action G.V. Loewen,2024-04-03 Stand down drop your weapon Make me almighty officer of the peace And what peace is that which abuses children in the name of discipline sends poor people off to martyr themselves for an elite nation state defends policy that allows the rich to get richer and the poor only further poverty and stockpiles technology speaking of weapons that can destroy all life on earth Riddle me this folks From Got Action Book Three of the Queen of Hearts Trilogy In the final installment of the dark fantasy trilogy Queen of Hearts G V Loewen allows the reader not a moment to breathe From the shocking opening scene of resurrection through necrophilia to the stunning double climax that radically rewrites both Camelot and Calvary the four loyal friends of Guinevere and their allies finally understand the stakes and scope of their quest The question of the history of the world is the same question as is the future of that same world and on behalf of the entire species the heroines do not let anyone or anything stand in their way to vouchsafe both I have never encountered any novel that compresses narrative so that not only is your heart racing along with that within the breast of each character but that this very breathlessness is designed to make one realize just how desperate is our own reality No mere allegory Queen of Hearts is literally the story of who we are at this specific historical moment In the meantime the climactic final volume grabs you by the throat and doesn't let go until the final pages Got action Yes we do Avinash Pillay co founder of IEC and Vigilance Digital Media Inc
