Capable character sketches display the following characteristics: • Character is described well. • Some sensory details are used. • An overall impression of the person is created, but there is little evidence of precise nouns and vivid verbs. • Part is offered for most characterizations. • The organizational structure is generally intact. • A variety of sentence structures are used. • Some errors in usage and mechanics occur.	Developing character sketches display the following characteristics: • The total picture of the person described in the sketch is somewhat incomplete; the reader is left wondering what the person is. • Few sensory details are used. • Only a limited overall impression of the person is created. • Little part is offered for characterizations. • Some organizational structure is apparent, but there are some gaps. • Sketch displays somewhat of simple sentence structure, but offers little variety. • Several errors in usage and mechanics do not detract from clarity and meaning.
