## **Rules For Walking In Fellowship:**

*Rules for Walking in Fellowship* John Owen, 2014-12-02 What good is a church community if it lacks loving fellowship In *Rules for Walking in Fellowship* John Owen supplies struggling congregations with biblical guidelines for making church life in the present a foretaste of heavenly fellowship to come He discusses both the responsibilities congregations have toward pastors as well as the duties members have toward one another Together Owen presents twenty four rules for fostering gospel fellowship supporting them with numerous proof texts brief explanations and words of motivation to keep them His simple approach makes this book ideal for personal or small group study Here then is a collection of indispensable biblical rules that will challenge Christians in any given congregation of whatever denomination a little gem that is at the same time doctrinal practical and ecumenical Table of Contents PART 1 Rules for walking in fellowship with reference to the pastor or minister who watches over your souls PART 2 Rules to be observed by those who walk in fellowship to remind them of their mutual duties toward one another Series Description Interest in the Puritans continues to grow but many people find reading these giants of the faith a bit unnerving This series seeks to overcome that barrier by presenting Puritan books that are convenient in size and unintimidating in length Each book is carefully edited with modern readers in mind smoothing out difficult language of a bygone era while retaining the meaning of the original authors Books for the series are thoughtfully selected to provide some of the best counsel on important subjects that people continue to wrestle with today **The Works of John Owen** John Owen, 1862 **The Works of John Owen, D.D.** John Owen, 1852 **The Works ...** John Owen, 1852

**Watchfulness** Brian G. Hedges, 2018-02-22 Are you watchful in your Christian life Although watchfulness is not as familiar as spiritual disciplines like meditation prayer and fasting it is just as necessary for a healthy spiritual life Scripture exhorts all Christians to be watchful regardless of their station and season in life In *Watchfulness* Brian Hedges provides a fresh look at the what why how when and who of watchfulness drawing principles from Scripture and instruction from believers of the past who have understood this discipline and written about it Designed for reflection self examination and personal application with Examine and Apply questions at the end of each chapter this book will chart your course toward greater watchfulness increased holiness and deeper communion with the triune God *The Holy Spirit and Worship* Elizabeth A. Welch, 2020-12-15 The Holy Spirit has become a greater focus for attention in Trinitarian theology and in the life of the western church since the rise of Pentecostalism at the beginning of the twentieth century Different understandings of the Holy Spirit have impacted worship in a variety of ways This book looks at look at surprising overlaps in the thinking about relationship between the Holy Spirit and worship between two radically different traditions of the church represented by John Owen from the seventeenth century in England and John Zizioulas from the twentieth twenty first century in Greece Four threads of argument are identified flowing from the unexpected overlap between these two thinkers that are of value for the church today The first is the personal and relational nature of the Triune God drawing the human person into a deeper

sense of relational identity The second is the immediacy of the encounter with God through the Holy Spirit in worship The third is the way in which the Holy Spirit leads people into truth The fourth is the transformative nature of the encounter with God in worship which draws people into sharing God's purpose for the transformation of the world
