Running Record First Grade:

Teaching Literacy in First Grade Diane Lapp, 2005-05-05 First grade is a year of important new experiences for students and teachers alike Some students will arrive knowing how to read others will know a few letters of the alphabet and most will be somewhere in between Including dozens of reproducibles this book guides first grade teachers in the many decisions they face about how to orchestrate effective appropriate and engaging instruction A special strength of the book is the authors deep understanding of the oral language base of literacy learning both reading and writing and their expertise in differentiating instruction for English language learners

Teaching First Grade Min Hong, 2001-07 A mentor teacher shares insights strategies and lessons for teaching reading writing and math and laying the foundation for learning success

Assessment for Reading Instruction Katherine A. Dougherty Stahl, Kevin Flanigan, Michael C. McKenna, 2019-12-09 This book provides a comprehensive conceptual framework and hands on practical tools for reading assessment The authors present a clear roadmap for evaluating K 8 students strengths and weaknesses in each of the basic competencies that good readers need to master Teachers learn how to select administer and interpret a wide range of formal and informal assessments and how to use the results to improve instruction In a large size format for easy photocopying the book includes 30 reproducible assessment tools Provided by publisher

Assessment of Young Children Lisa B. Fiore, 2012-05-31 In an era of standards and norms where assessment tends to minimize or dismiss individual differences and results in punitive outcomes or no action at all Assessment of Young Children provides teachers with an approach to assessment that is in the best interest of both children and their families Author Lisa B Fiore explores a variety of ways to study and assess young children in their natural environments while stressing the importance of bringing children and families into the process This lively text helps the reader learn how to cultivate developmentally appropriate practice create appropriate expectations examine children s work interact in groups and improve their teacher behavior Accounts of real experiences from children families teachers and administrators provide on the ground models of assessment strategies and demonstrate how children are affected Assessment of Young Children explores both standardized and authentic assessment work sampling systems and observation skills Readers will walk away with strategies for communicating information about children and portfolio assessment and how the use of formal and informal methods of observation documentation and assessment are connected to teacher and student inquiry Assessment of Young Children encourages an assessment strategy where the child remains the focus and explores how collaboration with children families and colleagues creates an image not a diagnosis of the child that is empowering rather than constraining Special Features Include Case Study examples that anchor the concepts presented in the chapters and engage readers more deeply in the content Now what and Avenues for Inquiry throughout the book present students with concrete extensions of the material that they may pursue for further investigation

Best Practices of

Literacy Leaders Allison Swan Dagen, Rita M. Bean, 2020-02-05 This authoritative text and practitioner resource has now

been extensively revised and expanded with 70% new material covering new topics and standards in literacy leadership. Prominent experts present research based methods for improving instruction, assessment and professional learning experiences in PreK-12. The distinct roles of teachers, reading literacy specialists, literacy coaches, special educators and principals are explored with an emphasis on fostering a culture of collaboration. Chapters highlight the standards that apply to each component of a schoolwide literacy program, give examples of what they look like in schools and share implications for classroom practice and professional learning. Pedagogical features include guiding questions, case examples, vignettes, engagement activities and annotated resources for further learning.

New to This Edition Now copublished with the International Literacy Association (ILA) and grounded in ILA's updated Standards 2017, expanded grade range includes PreK. Chapters on new topics: writing instruction, sustaining schoolwide improvements and collaborative leadership. New chapters on core topics: the principal's role, assessment, middle and high school literacy programs, special education and culturally responsive instruction. Vignettes from leaders in diverse roles. Think About This questions for discussion, reflection and end of chapter annotated resources.

The field's leading authorities present accessible recommendations for best practices that can be tailored to fit specific classroom circumstances and student populations. Provided are strategies for helping all students succeed, including struggling readers and English language learners, and for teaching each of the major components of literacy. The book also addresses ways to organize instruction and innovative uses of technology. Chapters include concrete examples, Engagement Activities and resources for further learning.

New to This Edition Incorporates the latest research findings and instructional practices. Chapters on motivation, content area teaching, new literacies and family literacy. Addresses timely topics such as response to intervention, the new common core standards, English language learning and policy issues.

Engaging Young Readers Linda Baker, Mariam Jean Dreher, John T. Guthrie, 2000-03-07. This volume demonstrates how promoting children's engagement with reading can greatly enhance reading achievement. From leading literacy researchers and educators, the book illuminates what a child needs to become an engaged reader and presents a set of instructional principles designed to facilitate this goal. Helping teachers offer a coordinated emphasis on competence and motivation in reading instruction, chapters blend research evidence with practical recommendations. Topics covered include ways to provide children with a good foundation at the word level, help if they are in trouble, ample time and materials for reading opportunities to share in a community of learners, instruction that is coherent, motivating and responsive to each child's strengths and weaknesses, school-wide coordination of instruction and continuities between home and school.

Making the Most of Small Groups Debbie Diller, 2007. Debbie Diller has already shown us how to productively occupy the rest of the class while meeting with small groups. Now she turns her attention to the groups

themselves and the teacher's role in small group instruction *Sustaining Extraordinary Student Achievement* Linda E. Reksten, 2008-10-15 The author examines five Title I schools that overcame significant challenges to sustain student achievement and presents principles for building a culture of high standards and expectations **Reading Horizons**, 2010
