

CHARACTER REFERENCE LETTER

To Whom It May Concern,

I am pleased to recommend Casey Hoff, my coworker and friend, through this character reference letter. I have known Casey for more than seven years. I was introduced to her during her interview at Cornell Tech Innovators, where I work as a human resources manager. She created a high impact during that interview and was hired as a human resources executive.

During her tenure at Cornell, I have found Casey to be sincere, hard-working, diligent and of high moral and ethical standards. She has also demonstrated an ability to handle sensitive and confidential matters with mature discretion. When an employee was under surveillance for a suspected breach of work ethics, Casey conducted the entire surveillance exercise successfully and with full-proof confidentiality.

Being compassionate and considerate, Casey was a go-to person for all HR-related matters at Cornell. Once, when a newly hired international employee was finding it difficult to rent a home in a location of their preference, Casey went out of her way to help that individual. After three days of persistent efforts, she did manage to find a good housing unit for that employee.

Based on such experiences, I feel confident in endorsing Casey. She will not let down the employer she works for.

Please feel free to contact me for more details, if needed.

Sincerely,

Jim Cornell

Ellis,2024-01-12 In *North Carolina English 1861 1865* Michael E Ellis offers an Oxford English Dictionary like take on regional language based on more than two thousand letters and diaries composed by North Carolinians during the Civil War These documents are part of a larger project the Corpus of American Civil War Letters CACWL aimed at locating photographing and transcribing letters written during the period from all parts of the country With little formal education the correspondents were men and women who wrote by ear often reproducing their spoken language through unconventional

spellings and grammatical forms as well as regional or archaic words and usages The core of the book is an alphabetically arranged glossary of words and expressions characteristic of mid nineteenth century North Carolina each containing excerpts from the letters themselves to illustrate meaning and usage While the majority of the writers were Confederate soldiers and their family members the collection also includes letters from slaves former slaves and African Americans from North Carolina serving in the Union Army The soldiers letters rarely contain details about battles except to list the names of relatives or neighbors among the killed or wounded After a battle a soldier might simply write the Like of ded men an horses I never saw before or we hav lost a heep of men and kild a heep of yankeys As Joel Howard of Lincoln County wrote home in June 1863 I have bin in the ware and Saw the ware and heard tell of the ware till I have got tired of it if I Could get clear of this ware I neve r want to Read of A nother Food is perhaps the most common topic followed by illness Numerous terms relate to farming clothing religion and the effects of the war itself as well as entries for expressions that have long since disappeared from American English in the gants on the goose and up the spout In addition to the glossary Ellis offers an extensive overview of North Carolina English of the period delves into the social background of the letter writers and provides invaluable guidance to the ways in which Civil War letters should be read A unique window into a largely neglected corner of our extraordinarily rich and regionally distinct language this volume will prove an indispensable reference for scholars and students seeking to reconstruct the world of the common Civil War soldier *The Russian Reference Grammar* John L. Wates, 2010-09-01 *Amadeus Mozart An Introduction to the Music the Man and the Myths* explores in detail 20 of the composer's major works in the context of his tragically brief life and the turbulent times in which he lived. Addressed to non-musicians seeking to deepen their technical appreciation for his music while learning more about Mozart the man than the caricature portrayed in the 1986 movie *Amadeus*, this book offers extensive biographical and historical background, debunking many well-established Mozart myths along with guided study of compositions representing every genre of 18th-century music: opera, concerto, symphony, church music, divertimento, and serenade, sonata, and string quartet. Author Roye E. Wates, a Mozart specialist, has taught music history to thousands of non-musicians both undergraduates and adults as a Professor of Music at Boston University and from 2002-2004 as director of Boston University's Adult Music Seminar at Tanglewood, summer residence of the Boston Symphony Orchestra. *Mozart An Introduction to the Music the Man and the Myths* provides a unique combination of biographical detail, up-to-date research, detailed musical analyses, and clear definitions of terms. Amateurs as well as more advanced musicians will gain a greater understanding of Mozart's encyclopedic mastery. *Railway Carmen's Journal*, 1917 *Johnson V. Igleheart Brothers, Incorporated*, 1937
