INTERACTIVE WRITING PROMPTS

PAGES

Story Starter:

There was the first time to leave the school library. The first around town, flying through an old, redwood forest that he found hidden behind a row of dusty encyclopedias. The room had no air, but the pages were filled with vibrant handwriting, almost like a story.

As he turned to the last entry, the words seemed to glow faintly under the dim light.

"The afternoon would find... I hope you are ready?"

The light flickered. A sudden gust of wind rustled the pages.

Lines traced around

The library doors were closed.

And he was no longer there?

Choose Your Middle Twist

1 The town just back from the beach, the library suddenly changes. The wooden shelves would replace by colorful desks and vibrant walls. The story is still in his hands, but now the world has changed—the room is wider, air is. And he starts his journey before he was born.

2 Write down your choices in the space below. Use a separate piece of paper to write your story.

Bonus Challenge: Story Remix

For a fun twist, remix settings with a twist and create a new ending to add new layers to the story. Can you make it scarier, funnier, than your original?
