The Biodiversity Gardener Paul Sterry, 2023-06-06 Over the past decade wildlife author and photographer Paul Sterry has nurtured both through action and by doing nothing what has become a small island of flourishing biodiversity in the half acre garden that surrounds his north Hampshire cottage By giving nature a free hand and fostering habitats appropriate to this part of southeast England he has enabled an abundance of native plant and animal species to call the garden home This contrasts with the continued decline in biodiversity in the surrounding countryside In this inspiring and informative book Sterry tells the story of his own experiences in biodiversity gardening and offers detailed practical advice to anyone who wants to give nature the upper hand on their own bit of land no matter how small Amazon *Diplomacy, Roger Makins and the Anglo-American Relationship* Richard Wevill, 2016-05-23 The history of Britain after the Second World War is essentially the story of her loss of great power status Writers discussing this decline often focus on those sources of power which are tangible and capable of measurement the size of a country's armed forces her Gross Domestic Product or her energy reserves But there are other real sources of power which are not so easily measured The morale of a nation the quality integrity and stability of a country's political system and a nation's sense of unity are all intangible elements So is

diplomatic skill which is central to the ability of one country to influence another Roger Makins the British Ambassador to Washington 1953 1956 was one of the most prominent and powerful diplomats of his time His career was unusual for a Foreign Office official in that such a large part of it took place in Washington and London and was centred on Anglo American relationships This book describes his life times and the important players he dealt with on both sides of the Atlantic It is history seen through the perspective of the officials trying to serve their countries interests and as such it sheds a new light on how the special relationship between Britain and America developed It also shows the impact on policy a civil servant who worked and negotiated with almost every important American and British politician and official of his time can have

Respondent Centred Surveys Laura Wilson, Emma Dickinson, 2021-11-03 Achieve your survey goals by empowering your survey respondents Too often surveys are designed for the analyst rather than the respondent This book challenges the status quo by putting respondents needs at the heart of survey development It encourages you to stop listen and then design to improve response rates and collect high quality data Drawing on their experience at the UK Office for National Statistics the authors Show you how to design better surveys by combining social research and user experience best practice Equip you with the tools to design inclusive and accessible surveys Enable you to overcome practical research problems including managing participant recruitment and working to any budget Provide links to helpful web material and further reading as part of the book s online resources Promoting a new way to conceptualise and conduct survey design this book expands your theoretical thinking and shows you step by step how to put it into practice
