Modern globalized world demands to keep the track of events, to have a keen sense of the pulse of the situation in global issues and flashpoints. To be on good terms with information and in order not to fall behind its vicious circle one should possess the skills of communication, being socio-active and re-act rapidly under the certain sudden circumstances. A noble wish to make the live easier has led to the fact that people lack time for creation and even for themselves. Nevertheless, this is just the broad sense. Every single invention is a tool to serve people. Progress as the headway of mankind does not suggest and does not explain people's degradation. Each single invention is the pure form of expression to the so-called ratio of a human being. So was the invention of photography.

What are the accomplishments and perspectives of the art of photography? What are the modern trends in photography? Is it connected to life as any other art-form? These are the objectives to be discussed further.

## CRITICAL ART ESSAY

"The camera should be used for a recording of life, for rendering the very substance and quintessence of the thing itself, whether it be polished steel or palpitating flesh." (Weston)

The history of the photograph started in 1827. Since that time it has given "a new perspective on life and art". The style of photography varies since the "number of photographers is increasing" Almost two centuries have passed

**Writing for Health Professionals** Philip Burnard,2013-12-20 I try to leave out the parts that people skip Elmore Leonard This book is all about writing it is both a practical and a personal account When you write a book like this you put yourself on the line you run the risk of people reading what you have written and saying he s saying one thing and doing another You stand to break the rules that you set up quite badly That is probably not such a terrible thing besides that should be part of the process of using this book As you read it notice when rules are broken Check the phrasing the sentence and paragraph construction and see whether or not I have stuck to the rules Then see whether or not the rules would have improved the passage in question Begin to read books as much for their style layout and general format as for their con tent If you are going to write you need to see plenty of examples of all of these things good bad and indifferent to write for some time but was always This is a book I have wanted nervous of writing so here it is an introduction to some of the ways and means of writing It is as I say personal I hope it will be useful A word about sexism and the writing process I find the use of his or her and its variants clumsy

*Life Compass* Nevzat Keles, This is a choice A choice you should make sooner or later Just like the choice Neo is offered between a red pill and a blue pill to go out of the Matrix This

is the moment of truth and you have to decide now Will you take the red pill and reject to be prisoned in the Matrix like all the other people in order to walk on your own path Or will you take the blue pill and stay in the comfortable simulated reality of the Matrix like all the other silent and obedient millions of people In other words will you reject the chance of building your own life and walking on your own path easily Yes this is just up to you Every single human being is unique and equipped with different abilities Each single person has his own way his own project and his own mission in this world All you need to do is to think and find that project of your own One man s life cannot be simply consisted of eating drinking sleeping populating the world gathering wealth and prosperity and just living among the given boundaries Your life should have a more significant purpose and you are probably meant for something bigger You should get rid of your mood being unhappy for the weekdays but just happy for the weekend Waiting for weekend holiday or retirement to live is big nonsense In fact you are continuously postponing your life without being aware of that As if you have an evidence for more enough time to come You prefer to define your happiness under specific circumstances and most of the time postpone your happiness instead of living the moment However the happiness or unhappiness is actually in your hands Now move on Get into action and stop postponing yourself and your life Take a step Today or even right now Otherwise pour tears after 5 or 10 years for your time and dreams which you could not make come true Crash your head on the walls as you haven t done anything about what you could Whine to your close friends Get sad Listen to melancholic music Complain about the time which is passing so fast Continue to postpone your goals and dreams to the next years If you really want to be successful then for sure you will be You are the only one who can prevent yourself being as successful as in your dreams Means you are the only who can stop you
