Perfect Little Town:

Perfect Little Town Blake Crouch, 2010 Ron and Jessica Stahl are a power couple from Southern California on a Christmas driving holiday in the Colorado mountains When they stop for the afternoon in sleepy Lone Cone Pop 317 they re charmed by the quaint tourist town which is filled with B Bs candy stores and gift shops But the folksy hospitality will vanish as the sun drops behind the mountains A winter storm is approaching and the Stahls couldn t have picked a worse night of the year to get snowed into this perfect little town with a dark dark secret Perfect Timing A.D. Ellis, Both men had pretty much given up on finding their forever but fate was just waiting for the right time Charlie moves to small town Briarton with plans to live his quiet life as a writer He s resigned himself to being alone and isn t expecting anything different from his new home But a coffee mix up brings him face to face with a man Charlie had decided didn t really exist Nixon is grateful for a new job in a new town He s ready to leave the past in the past and settle down He s not actively looking for a relationship that s never worked out for him before but he can t deny the instant connection he has with his newest patient s nephew Is it too late for Charlie and Nix to find their happily ever after Or will they accept fate s gift and allow themselves a love they thought they d never find Perfect Timing is a steamy M M romance with an introverted demisexual writer and a big soft teddy bear of a nurse trying to navigate a love they ve always dreamed of but most definitely weren t expecting *American Folk Songs* Norman Cohen, 2008-09-30 This state by state collection of folksongs describes the history society culture and events characteristic of all fifty states Unlike all other state folksong collections this one does not focus on songs collected in the particular states but rather on songs concerning the life and times of the people of that state The topics range from the major historical events such as the Boston Tea Party the attack on Fort Sumter and the California Gold Rush to regionally important events such as disasters and murders labor problems occupational songs ethnic conflicts Some of the songs will be widely recognized such as Casey Jones Marching Through Georgia or Sweet Betsy from Pike Others less familiar have not been reprinted since their original publication but deserve to be studied because of what they tell about the people of these United States their loves labors and losses and their responses to events The collection is organized by regions starting with New England and ending with the states bordering the Pacific Ocean and by states within each region For each state there are from four to fifteen songs presented with an average of 10 songs per state For each song a full text is reprinted followed by discussion of the song in its historical context References to available recordings and other versions are given Folksongs such as those discussed here are an important tool for historians and cultural historians because they sample experiences of the past at a different level from that of contemporary newspaper accounts and academic histories These songs in a sense are history writ small Includes Away Down East The Old Granite State Connecticut The Virginian Maid s Lament Carry Me Back to Old Virginny I m Going Back to North Carolina Shut up in Cold Creek Mine Ain t God Good to Iowa Dakota Land Dear Prairie Home Cheyenne Boys I m off for California and others **Perfect Wyoming Complete Collection** Marie
