I. Personal Finance

1. Income Amount of money that a person makes by selling products or providing a service to the citizens of an area; serves as a basis for the collection of taxes by State and Federal Governments.
2. Budget Spending and savings plan developed by citizens to assist with saving and spending decisions and by governments to determine how tax money is spent and allocated to different agencies and programs.
3. Savings Money that is not spent but instead kept for use in the future; this money is usually kept in certain bank accounts or invested.
4. Entrepreneur A person who creates, organizes, and manages a new business; usually involves the risk of invested money (capital) in order to make money.
5. Investing Putting money aside for future benefit and growth (usually through interest) or by using the money to start a business, buy stocks, bonds, certificates of deposit, and/or mutual funds.
6. Profit Monetary gain a business owner makes by selling goods or providing services; calculated by subtracting the total expenses from the total income.
7. Credit Term that applies to the ability to buy something now and pay for it later over a period of time (usually with having to pay a finance charge and/or the addition of interest).

Generation Care Jennifer N. Levin, 2025-04-08 From a writer and founder of national online support group Caregiver Collective and a caregiver herself Jennifer N Levin offers a comprehensive look at our current culture of care with an emphasis on Millennial caregivers providing a roadmap to solutions and an immediate call for policy change More than 10 million Millennials are caring for aging parents before they've been able to fully launch their own careers and consider starting their own families and that's not including the incalculable numbers of people affected by long COVID Yet no one is naming this problem talking about how it feels or offering resources to ease the pressure of Millennial caregiver burnout Jennifer N Levin was 32 when her father was diagnosed with a rare degenerative illness As she struggled with few resources and little support she created Caregiver Collective a national online support group for Millennial caregivers Now Levin brings the wisdom from her own experience and that of her support group to Generation Care a comprehensive look at this generation's culture of care Filled with the voices of caregivers expert commentary and research and a roadmap to the solutions that can begin helping people now as well as build the policies of the future Generation Care addresses the financial costs the ambiguous sense of loss for millennials grieving the lives they thought they'd have the impact of COVID and Long Covid and strategies for getting help on the individual level and in relation to policy Caregiving is an increasingly urgent crisis with more than 10 million millennials caring for their aging parents before they're prepared for it Generation Care brings this crisis to the fore illuminates the real stories and people who are most affected underscores the need for shifts in policy and giving support where it is most needed and sounds a clarion call for change **Accounting** Paul D. Kimmel, Jerry J. Weygandt, Donald E. Kieso, 2010-12-01 With this fourth edition accountants will acquire a practical set of tools and the confidence they need to use them effectively in making business decisions It better reflects a more conceptual and decision making approach to the material The authors follow a macro to micro strategy by starting with a discussion of real financial statements first rather than starting with the Accounting Cycle The objective is to establish how a financial statement communicates the financing investing and operating activities of a business to users of accounting information This motivates accountants by grounding the discussion in the real world showing them the relevance of the topics covered to their careers
