If your story doesn't quite fit, just indicate at the end of the column where the story will continue.

When it comes to placement or design, place your stories first. Build your newspaper around the stories, resizing the pictures so that your text ends where you want it to.

Again, design around your text or the stories. You can enter the text directly into the text boxes here or write it in a word processor and copy the text to these boxes.

Every page template will have additional hints and tips to read. Many of the templates will have themes you can use. Nevertheless, you can mix and match if you want. This is your project, so go to town!

When replacing pictures in these templates, consider using pictures that are similar in size to maintain the integrity of the template design.

This template is designed for news and community as well as newsletter purposes.

Naturally, if you decide to use this or any other template for any other purpose, you most certainly can do that as well.

The next thing about our templates is that you can mix and match them. If you find a template page from another category that works for you, then by all means, use it!
