## Essay Assignment (40 %)

**Length:** You are required to write an essay of 10-12 pages (about 3000 words) in length (excluding the title page and bibliography), double-spaced, Times New Roman 12 point font, on white paper, with adequate (1.25 inch) margins on each side of the page. Pages must be numbered consecutively. Include a title page with the title of your paper, your name, student number, the course number, and the CD name. Paper should be stapled. Please, do not put your paper in a folder or binder.

**Due:** at the beginning of class, Nov 28, 2013. Papers handed after the beginning of class will be considered late. Late assignment will be penalized at 5% per day, inclusive of weekends and may be returned without comments. Papers later than seven days past the deadline will not be graded.

Late papers should be dropped off in Political Science Department drop box, **box. Do not hand in papers under the Course Director's office door**, assuming they are found at all, they will be considered to have arrived only once they are found. You may **not** submit papers by fax or e-mail.

Cioffi,2017-12-11 More than merely a writing text The Imaginative Argument offers writers instruction on how to use their imaginations to improve their prose Cioffi shows writers how they can enliven argument the organizing rubric of all persuasive writing by drawing on emotion soul and creativity the wellsprings of imagination While Cioffi suggests that argument should become a natural habit of mind for writers he goes still further inspiring writers to adopt as their gold standard the imaginative argument the surprising yet strikingly apt insight that organizes disparate noises into music that makes out of chaos chaos theory Rather than offering a model of writing based on established formulas or templates Cioffi urges writers to envision argument as an active parsing of experience that imaginatively reinvents the world Cioffi s manifesto asserts that successful argument also requires writers to explore their own deep seated feelings to exploit the fuzzy but often profoundly insightful logic of the imagination But expression is not all that matters Cioffi s work anchors itself in the actual Drawing on Louis Kahn s notion that a good architect never has all the answers to a building s problems before its physical construction Cioffi maintains that in argument too answers must be forged along the way as the writer inventively deals with emergent problems and unforeseen complexities Indeed discovery imagination and invention suffuse all stages of the process The Imaginative Argument offers all the intellectual kindling that writers need to ignite this creativity from insights on developing ideas to avoiding bland assertions or logical leaps It cites exemplary nonfiction prose stylists including William James Ruth Benedict and Erving Goffman as well as literary sources to demonstrate the dynamic of persuasive writing Provocative and lively it will prove not only essential reading but also inspiration for all those interested in arguing more imaginatively more successfully This edition features new chapters that cover the revision process in greater depth as well as the particular challenges of researching and writing in the digital age such as working with technology and avoiding plagiarism The book also includes new sample essays an appendix to help instructors use the book in the classroom and much more     Foreign Language Writing Instruction Tony Cimasko,Melinda Reichelt,2011-06-23 Fourteen chapters researched and authored by scholars working in nine different countries and regions explore the contexts of foreign language writing pedagogy the diversity of national and regional approaches the role of universities departments and programs in pedagogy and the cognitive and classroom dimensions of teaching and learning     NTA UGC NET Paper 1 : Teaching and
