Brockmole,2025-01-14 A fascinating history of how the automotive industry and consumers battled to define what women wanted in a car Since the commercial introduction of the automobile US automakers have always sought women as customers and advertised accordingly How then did car culture become so masculine In *Pink Cars and Pocketbooks* Jessica Brockmole shares the untold history of women s relationship with automobiles a journey marked by struggle empowerment and the relentless pursuit of independence This groundbreaking work explores the evolution of women s automotive participation and the cultural shifts that have redefined their roles as drivers mechanics and consumers Brockmole traces the rise of gendered marketing of automobiles over the course of the twentieth century Auto companies created ads that conformed to commonly held ideas about women s

relationships with automobiles As the century progressed marketing to women became less informative and even more gendered the automotive industry portrayed women as passengers props or reluctant drivers interested primarily in aesthetics And yet by the 1970s female drivers were communicating directly with each other forming clubs and teaching each other through women focused repair manuals By examining market research studies advertising archives trade journals women s magazines newspapers driving handbooks and repair manuals this book shows how women bought their way into the automobile and masculine car culture Brockmole uncovers the stories of pioneering women who defied conventions such as trailblazer Alice Ramsey the first woman to drive across the United States in 1909 and Barb Wyatt whose contributions to automotive manuals broke new ground Women have always been users of technology and this book illustrates how the auto industry evolved as well as how it chose not to evolve in response **Motion Picture Herald** ,1961 Wordrobe Richard Harrison Martin,1997 **Billboard** ,1944-09-30 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Not Far Enough ,1987 In 1904 a woman was arrested on Fifth Avenue for smoking a cigarette while a procession of bemused smoking males passed by unharassed For the next 50 years with the creative encouragement of the emerging giants of the cigarette industry the right to smoke became a symbol of women s liberation and equality That liberation came at a terrible price As the lung cancer rate for women soared passing breast cancer as the leading cause of cancer in women in 1985 women achieved a grisly equality On February 4 1987 a group of women leaders active both in public health and in a wide diversity of women s organizations gathered together in Washington to take stock of the common effort A series of papers on smoking s role in women s disease and death on women s smoking behavior on the role of the tobacco industry set the stage for an intensive effort by the participants working in small groups to hammer out together an agenda of strategies to combat smoking among women The highlights of those papers and a synthesis of the most favored strategies form the body of this report For 50 years smoking reigned as a symbol of women s freedom Now we know that smoking only substituted one form of enslavement for another That s why the workshop participants chose to name their effort the Not Far Enough Network
