Ways to Help in Your Community Claire O'Neal, 2010-12-23 Have you ever wondered how a kid like you can make a difference in your community Whether you choose to volunteer for fun or for a school requirement spending an hour or two a week helping out in your neighborhood can literally change your world for the better Helping your neighbors or local organizations actually takes very little time and experience Volunteers of all ages improve communities by making them cleaner safer and more fun to live in From hosting a block party to helping an elderly neighbor to serving at a soup kitchen the possibilities are limited only by your imagination What are you waiting for

Behind the White Picket Fence Sarah Mayorga, 2014-11-03 The link between residential segregation and racial inequality is well established so it would seem that greater equality would prevail in integrated neighborhoods But as Sarah Mayorga Gallo argues multiethnic and mixed income neighborhoods still harbor the signs of continued systemic racial inequalities Drawing on deep ethnographic and other innovative research from CreekrIDGE Park a pseudonymous urban community in Durham North Carolina Mayorga Gallo demonstrates that the proximity of white African American and Latino neighbors does not ensure equity rather proximity and equity are in fact subject to structural level processes of stratification Behind the White Picket Fence shows how contemporary understandings of diversity are not necessarily rooted in equity or justice but instead can reinforce white homeowners race and class privilege ultimately good intentions and a desire for diversity alone do not challenge structural racial social and economic disparities This book makes a compelling case for how power and privilege are reproduced in daily interactions and calls on readers to question commonsense understandings of space and inequality in order to better understand how race functions in multiethnic America

Call Me Wheels Geoffrey E. Matesky,2010-02-17 In the year 2000 I thought I had life pretty much figured out at least for a
guy who had spent the last 16 years paralyzed and permanently confined to a wheelchair As the survivor of a horrific car
accident at age 19 I had rolled through some pretty rough territory enduring not only hostile physical landscapes but hostile
attitudes of those around me as well I was tougher than most or so I thought but all of that changed the day I became a step
parent It is the year 2000 and I have become the Master of my disabled realm I can pop up and down steep curbs in my
wheelchair and make it look like childs play I can disassemble and pack my wheelchair into my car in under 30 seconds flat I
can swim 1000 yards non stop in under thirty minutes using only my arms for propulsion I can push on these wheels longer
and harder than anybody all day long for as long as I need to without uttering a single complaint Yet how in the world am I
going to change the diaper of this kicking screaming two year old that Ive been left alone with for the first time How on earth
am I supposed to chase this tender Kindergartener up the stairs after he has just made off with my 200 pair of Oakley
sunglasses And what will I do the day they figure out that they can take me out of action completely by tipping me over
backwards in my wheelchair They Call Me Wheels is my story how I fell in love with my future wife Elizabeth and virtually
overnight became a wheelchair bound stepparent to her two young sons Josh and Ben embarking upon the most arduous
terrifying and at the same time the most extraordinary and satisfying adventure Ive had yet to experience Wheels the
nickname given to me by the cocky disbelieving cronies of Elizabeths ex husband chronicles a three year span where I
literally roll slap dash and headlong into the unknown at times Im frustrated foiled and ready to throw in the towel but in the
end I am actually beginning to believe that I just might be making a difference in the lives of my newly acquired family that is
until its my turn to give Josh the dreaded Puberty Talk *Generalist Social Work Practice* Janice Gasker,2023-02-12

Perry,2016-12-22 We are in a bind writes Evelyn M Perry While conventional wisdom asserts that residential racial and
economic integration holds great promise for reducing inequality in the United States Americans are demonstrably not very

good at living with difference Perry's analysis of the multiethnic mixed income Milwaukee community of Riverwest where residents maintain relative stability without insisting on conformity advances our understanding of why and how neighborhoods matter In response to the myriad urban quantitative assessments Perry examines the impacts of neighborhood diversity using more than three years of ethnographic fieldwork and interviews Her in depth examination of life on the block expands our understanding of the mechanisms by which neighborhoods shape the perceptions behaviors and opportunities of those who live in them Perry challenges researchers assumptions about what good communities look like and what well regulated communities want Live and Let Live shifts the conventional scholarly focus from What can integration do to How is integration done
