Getting to Excellence James A Johnson, Jr PhD, 2013-03 This book is about a journey with the Center for Strategic Alliances in Education for School and District Improvement with stakeholders in a school targeted for school improvement The first chapter puts into context the notion of school its purpose and the incumbent variables of values attitudes organizational and leadership behaviors and instructional practices Throughout the book the authors look at three contextual boundaries 1 historical 2 the lens of former students and their perceptions of the presence or absence of those variables and 3 a comparison of labeled schools and the views and perceptions of stakeholders with regard to quality equity and adequacy This is a compelling journey which utilizes quantitative and qualitative data to take a critical look at the processes involved and the strategies used in America s journey in the quest for excellence The authors story is one of the pursuits of innovation reinvention equity excellence and culturally relevant education experiences that inspire and reframe the discussion about getting to excellence The book is replete with illustrations of weaknesses hidden in abstract policies institutional persistence and culturally void programs methodologies and practices It advocates a methodology for arriving at well conceived processes for achieving acceptance and academic excellence through collaboration among those to whom education is important the children and the communities where they live

Common Core Curriculum Maps in English Language Arts, Grades 9-12 Great Minds, 2011-10-13 The first books to present specific guidance for teaching the Common Core State Standards Forty three states plus the District of Columbia and the U S Virgin Islands have signed on to adopt the Common Core State Standards CCSS The need for curriculum guides to assist teachers in helping students meet these standards has become imperative Created by teachers for teachers the research based curriculum maps in this book present a comprehensive coherent sequence of thematic units

for teaching the skills outlined in the CCSS for English language arts in Grades 9-12. Teachers can use the maps to plan their year and craft their own more detailed lesson plans. Each grade is broken down into six units that include focus standards, suggested works, sample activities and assessments, lesson plans and more. The maps address every standard in the CCSS yet are flexible and adaptable to accommodate diverse teaching styles. Any teacher, school or district that chooses to follow the Common Core maps can be confident that they are adhering to the standards.

A Step-By-Step Guide for Coaching Classroom Teachers in Evidence-Based Interventions Dana D. Marchese, 2017

A Step-By-Step Guide for Coaching Classroom Teachers in Evidence-Based Interventions is a practical guide for school-based professionals. Combining evidence-based practices with the authors' real-life experiences working with classroom teachers, it represents a decade of research. The authors offer step-by-step approaches based on hundreds of case examples to overcoming some of the most difficult challenges faced by coaches and teachers in terms of implementation of evidence-based interventions. This book describes the coaching model and offers strategies for monitoring, enhancing and troubleshooting teacher implementation. In addition to establishing positive coach-teacher relationships, the authors demonstrate how coaches can incorporate strategies that reflect core principles of behavior change, including modeling, reinforcement and performance feedback. More than 20 handouts are shared in the appendix of the book. No other text features this distinctive blend of theory, research and real-life experiences, making it a valuable and unique contribution to the field.
