Directions: Read the informational text below then answer the questions.

Ice hockey and figure skating are two sports that are popular in the winter. Frozen lakes become the perfect place to play! To do either of them, ice skates are needed. Master hockey players and figure skaters are able to zig and zag through the ice. While figure skating is an individual sport, ice hockey is a team sport. To score a point in ice hockey, players try to get a round puck into the opposite team's net. In figure skating, points are received on how well a routine is done. Both sports require a lot of skill and practice.
