Love Rich Buhler,1987 **Sexuality and Seduction** Vladimir Živković, Short guide about human sexuality and sexual relationships Learn true about seduction and manipulation in contemporary love relationships How to live positive sexuality What is seduction and why people like to be seducers The answers are here in this book This text is written to disperse misconceptions about human sexuality and seduction As always I advise people to check the legitimacy of the creation Nothing is accidental and no action is without the consequences This text should help the reader realize that there is no

coincidental happiness but only deserved one That also means that happiness related to sexuality can't be arbitrary It is the result of a pure innocent and human sexuality Who doesn't believe such claims my advice is to check for validity of this reading at least Still it's always better to live properly and humanely than to check for errors faults and sin The results of errors are always the waste of time and misery That's the truth that modern man has forgotten Even worse thing is that there are a few of those a man can learn from the laws of Universe which are happening every second faultlessly And why is that so It's because a man feels lonely and lost in Space It's time to change this situation **No Strings Attached** Jim Beran, 2009
