

## Template Instructions

*This document is a template for creating an Operations & Maintenance Manual (O&M Manual) Template for a given investment or project. The final document should be delivered in an electronically searchable format. The Operations & Maintenance Manual (O&M Manual) Template should stand on its own with all elements explained and acronyms spelled out for reader/reviewers, including reviewers outside CMS who may not be familiar with CMS projects and investments.*

*This template includes instructions, boilerplate text, and fields. The developer should note that:*

- Each section provides instructions or describes the intent, assumptions, and context for content included in that section. Instructional text appears in blue italicized font throughout this template.*
- Instructional text in each section should be replaced with information specific to the particular investment.*
- Some text and tables are provided as boilerplate examples of wording and formats that may be used or modified as appropriate.*

*When using this template, follow these steps:*

- 1. Table captions and descriptions are to be placed left-aligned, above the table.*
- 2. Modify any boilerplate text, as appropriate, to your specific investment.*
- 3. Do not delete any headings. If the heading is not applicable to the investment, enter "Not Applicable" under the heading.*
- 4. All documents must be compliant with Section 508 requirements.*
