

# Treasure Hunt Clues for Kids

Getting the first clue will be a joy. Look for it where you would put your toy.

If you want to find more clues, look in the place where you put your shoes.

You are finding clues and feeling bold, now go to the place that keeps foods really cold.

This isn't a wild goose chase if you go to the place where you can see your own face.

When you look for the next clue you might plug your nose, its hiding in the place you store your dirty clothes.

Now that you are playing the game, look in the place where we keep your picture in a frame.

Get up now and walk on your feet, you will find the next clue under your favorite seat.

The next clue is easily seen if you go to the place where you to go get clean.

While you are up walking around, go to the place where you go to lay down.

You have worked hard to get every clue, the last one goes where the coffee does

Hunt** Marlene F. Byrne,2009-09 Kids in a neighborhood play backyard games *Deadly Treasure Hunt* Donald R.  
Richter,2020-02-20 This is a book that starts in the back room of a Vegas casino a few guys were bored so they wanted to bet  
on a game This book goes through a few contestants the game is not really fixed but the clues are placed in interesting places  
I took a bunch of dirty jokes and woven them into the story I had to bring a young boy into it for the little Johnny jokes a  
blonde for the blonde jokes a priest I add and subtract contestants to bring in different jokes so some get hurt and can t play  
like getting mauled by a tiger breaking legs things like that but keep main players some jokes can get pretty blue and some  
are downright nasty that is why this is a ADULT book The rules of the game are simple you need five people to get a clue and  
the clues lead to monuments for a payout It takes five keys to be turned at once the teams can t work together and gamblers  
cannot contact the teams in any way or forfeit their million dollar buy in That is it so cheating is allowed The contest takes  
place within 200 miles of a small town of Wausau it goes into the upper Michigan Illinois and Minnesota and it takes you on a  
journey checking out some weird and beautiful places Enjoy **The Frugal Science Teacher, 6-9** Linda Froschauer,2010
