It was Henry's birthday party on Saturday and Emily needed to go out and buy him a birthday present. It couldn't just be any present though, Emily wanted to make sure that her gift was the perfect present. Henry was her best friend and his gift had to be really, really special. A great addition to the elementary school library and to the children's room at the public library. Grades K-6. **When Writing Workshop Isn't Working** Mark Overmeyer, 2023-10-10. Writing is hard work. Teaching it can be even harder. As most teachers know, writer's workshop doesn't always go as planned, and many find there are obstacles that they consistently struggle with. In his role as a literacy coordinator and teacher, Mark Overmeyer has heard the same issues raised again and again by both new and experienced colleagues. *When Writing Workshop Isn't Working: Answers to Ten Tough Questions, Grades 2-5* provides practical advice to overcome these common problems and get your writing workshop back on track. Acknowledging the process-based nature of the writing workshop, this book does not offer formulaic, program-based, one-size-fits-all answers but presents multiple suggestions based on what works in real classrooms. The ten key questions this book addresses include: How do I help students who don't know what to write about? How do I help students develop stronger vocabulary and word choice? How do I prepare my students for standardized tests without compromising my writing program? How should I assess student writing? How can I help my students use revision effectively? This book is a handy reference tool for answering specific questions as they pop up during the year. Overmeyer uses student examples throughout to help teachers envision these solutions in their own classes, and he includes an array of classroom-tested ideas for helping primary and intermediate English language learners. There may not be any easy answers to the complexities of writer's workshop, but by identifying and providing advice on the most common stumbling blocks, one encounters. *When Writing Workshop Isn't Working* provides a solid groundwork, freeing up time and creativity for teachers to address the specific needs of their students.
