

Saying Goodbye to a Pastor

Poems

*As you depart this place of grace
We offer you this parting phrase
May God's own hand guide all your ways
And keep you safe all of your days.*

*You've been a light in darkest night
And shown us all the path of right
And though we'll miss you when you're gone
Your spirit will still linger on.*

highly clericalised society in which ten new priests were ordained each year for every arising vacancy it was those priests without livings who were the main point of contact between the church and its people This clerical proletariat and indeed the majority of parochial incumbents emerge as conscientious servants of their native communities distinguishable from their neighbours by virtue of their sacramental function rather than their social backgrounds and general concerns Throughout the book argues that the parish clergy whose services were in greater demand than ever before were remarkably well integrated into the communities they served and that popular anticlericalism as an explanatory factor of the English reformation is difficult to sustain Dr TIM COOPER has taught history at the universities of Sheffield Manchester and Hull
