

INVOCATION AND MEMORIAL PRAYER SUGGESTION
FOR
DIVISION "CHANGE OF WATCH"

God and Father of us all, we ask Thy blessing to be upon this Change of Watch and Division Board Meeting. We pray that Thy Holy Spirit will be upon us and guide us that all plans and decision which are made will be in accordance with Thy will and pleasure for us and for the United States Coast Guard Auxiliary which we represent and in which we proudly serve.

We would pray Thee to watch over the men and women of the United States Coast Guard as they perform their missions of vigilant service, for the Holy Scriptures remind us:

"They that go down to the sea in ships,
that do business in the great waters;
These see the works of the Lord,
and his wonders in the deep
He maketh the storm a calm,
so that the waves thereof are still.
Then are they glad because they be quiet;
so he bringeth them unto their desired haven".
Psalm 107: 23-24; 29-30

We would remember before Thy throne of grace, those of our shipmates within the Auxiliary, who have passed on during this year to be with Thee, their God, the Supreme Admiral of the Universe.

In a moment of silence, let us reverently remember together

***** SILENCE *****

O Almighty God and most merciful Father, as we remember these Thy servants, recalling their friendship, their courage, and their strength, we would hold before Thee in love, those who especially mourn their passing, those who were closest to them, families and loved ones. As this day brings memories of those whom they have lost, may it also bring Thy consolation and the assurance that their loved ones are forever in Thy loving presence for Thou hast brought them unto their desired haven, through our Lord, we pray. Amen.

coins in such a model despite the fact that coins constitute an integrated part of the material culture of most societies today and of many in the past Here interdisciplinary discussions are organised around three themes coin deposit and ritual practice the coin as economic object and divine mediator and the value and meaning of coin offering Although focusing on the medieval period in Western Europe the book includes instructive cases from the Roman period until today The collection brings together well established and emerging scholars from archaeology art history ethnology history and numismatics and great weight is given to material evidence which can complement and contradict the scarce written sources

The Bioarchaeology of Structural Violence Lori A. Tremblay, Sarah Reedy, 2020-08-27 This volume is a resource for bioarchaeologists interested in using a structural violence framework to better understand and contextualize the lived experiences of past populations One of the most important elements of bioarchaeological research is the study of health disparities in past populations This book offers an analysis of such work but with the benefit of an overarching theoretical framework It examines the theoretical framework used by scholars in cultural and medical anthropology to explore how social political and or socioeconomic structures and institutions create inequalities resulting in health disparities for the most vulnerable or marginalized segments of contemporary populations It then takes this framework and shows how it can allow researchers in bioarchaeology to interpret such socio cultural factors through analyzing human skeletal remains of past populations The book discusses the framework and its applications based on two main themes the structural violence of gender inequality and the structural violence of social and socioeconomic inequalities

What the World Believes Bertelsmann Stiftung, 2010-07-30 In recent years the subject of religion has undergone a dramatic renaissance and attracted considerable media attention At the same time however knowledge about people s individual religiosity and the social characteristics and dynamics of religion has not grown considerably Nonetheless this knowledge has become especially important in a context of growing religious plurality and globalization where interactions between societies with different cultural and religious backgrounds are increasing To expand upon this knowledge the Bertelsmann Stiftung in cooperation with a team of sociologists psychologists theologians and religious studies experts developed the most advanced instrument to date for examining the various dimensions of religiosity in modern society the Religion Monitor A quantitative and representative survey of 21 000 people around the world who represent all of the major religions constitutes the baseline of the Religion Monitor As the scholarly complement to the popular publication this second volume includes original analyses by renowned experts of the Religion Monitor s international survey results Contributors include Jos Casanova Michael N Ebertz Karl Gabriel Hans Joas Volkhard Krech Armin Nassehi Michael von Br ck and Paul M Zulehner
