

OPENING PRAYER FOR ONLINE MEETING

“Dear Lord,

We kneel before You this hour with thanksgiving for bringing us together in love and safety. Sometimes, we hurriedly start our meetings without recognizing Your greatness. Please forgive us.

Today, we ask You to be with us throughout this meeting and lead our thoughts to Your glory. May every conversation in this online meeting be inspired by Your Holy Spirit. Please strengthen us as a group in Jesus' name.

Amen”

Shaping Spiritual Leaders Abigail Johnson, 2007-08-17 Supervision the shaping of spiritual leaders occurs formally and informally in many aspects of congregational life Every year thousands of pastors supervise field education students and interns staff members and lay leaders often supervise committee members or other staff clergy and lay leaders supervise each other as a way to offer support and establish accountability While supervision enhances the work of all concerned it is rarely explicitly addressed in congregations For over fifteen years Abigail Johnson has supervised and trained others to supervise candidates for ordination within the United Church of Canada Recognizing that supervision is as important in the formation of lay leaders as in the life of candidates for ordination she has developed this book to guide all who supervise others in a congregation Johnson views supervision as a ministry and shows how leaders can use their own innate gifts to enhance their supervision skills By shaping the supervision relationship based on the gifts of the people involved as well as the context in which the relationship occurs supervision can become an opportunity for mutual growth and learning that strengthens all other areas of ministry This book provides a hands on approach to supervision addressing key areas such as identifying a learning focus covenanting managing conflict understanding and using power and authority offering and receiving feedback and evaluation and celebrating and ending the supervisory relationship Supervisors who pay attention to these and other key areas will help those they supervise develop their gifts for ministry in all forms The Lookout for Christ and the Church ,1903 **Christian Work** ,1902 *A Guide for Listening and Inner-Healing Prayer* Rusty Rustenbach, 2014-02-27 Experience the deep emotional healing Jesus promises Inner healing is an important part of the Gospel message You can supernaturally experience healing by exposing the hidden lies that keep you in bondage This workbook study presents a framework within which you can learn to pray listen and receive God s healing in a progressive step by step process Its practical instruction examples and personal stories can empower you to deliberately listen to God in ways that bring deep freedom assurance and inner healing With compassion and biblical insight Rusty Rustenbach guides you through Connecting with God and experiencing greater intimacy in your relationship with Him Uncovering the lies responsible for unhealthy mindsets destructive habits and emotional pain How to know when you re hearing God s voice Jesus said The truth will set you free Take Him at His word and experience the inner healing your soul craves Designed for ministry use small groups and personal study this book includes questions for discussion and reflection **Pacific Christian Advocate** ,1902 **The Advance** ,1905 **Christian Advocate** ,1910 **The Presbyterian** ,1909 *Religious Telescope* ,1903 *Helping Hand* ,1902 *The Epworth Herald* ,1891 **Herald and Presbyter** ,1910 **The Pastoral Search Journey** John Vonhof, 2010-03-01 Most churches have sought out a new pastor many times yet search committees often feel as though they are inventing the process from scratch In The Pastoral Search Journey John Vonhof provides detailed guidance for search committees to ensure a good match between pastor and congregation This is

Vonhof's third book about the pastoral search but the first to discuss interim pastors' transitions between pastors and the use of the Internet and digital media. Vonhof advises congregational leaders on establishing the search committee, ensuring the congregation is cared for during the pastoral vacancy, conducting the congregational self study and creating an information packet, finding, communicating with and interviewing candidates, determining selection criteria as well as evaluating and recommending candidates, managing call negotiations and finally welcoming the congregation's new pastor. Becoming a Blessed Church N. Graham Standish, 2016-05-08. Pastor and author N. Graham Standish describes how a church that is open to God's purpose, presence and power can claim God's blessing. Standish shares the story of Calvin Presbyterian Church in Zelienople, Pennsylvania, and its journey to become a spiritually deep congregation, one that is inwardly and outwardly healthy, spiritually, psychologically, physically and relationally. *Becoming a Blessed Church* will help you discern God's purpose and the path God is calling your congregation to walk. This book will help you find Christ in your midst and become aware of the many ways the blessings of God's Spirit flow through your congregation. This second edition includes three new practical chapters that answer the questions the author is most frequently asked: how to effectively run a group, discernment practice, how to create an effective small group program and how to set a church vision in a new direction that actually works.

5-Word Prayers Lisa Whittle, 2017-10-01. Prayer Doesn't Have to Be Intimidating. Do you find yourself saying the same things to God over and over again? Does a thriving prayer life feel completely out of reach? Maybe all it takes to open up to God is five little words. Each entry in this forty-day devotional will provide you with a simple five-word prayer, a corresponding Bible verse and thoughts to encourage you in your communications with your heavenly Father. The short prayers in this book include: I need You desperately today; Set my burdened heart free; Help me to forgive myself. The strength of your prayers lies in your heart, intent, not your word count. Discover a new joy in your conversations with God.

Meeting Jesus at University Edward Dutton, 2008. How does university turn students into who they become? Why are student evangelicals such a significant and controversial force at so many universities? In many countries, university has become the main Rite of Passage between the child and adult worlds. University can be enjoyable and fascinating but also life-changing and traumatic. And at the exact time when a student's identity is the most challenged and uncertain, student evangelical groups are highly organised on many university campuses to offer students a powerful identity so that the world makes sense once again. For some, these groups will protect them from the university's assault on their faith. For others, they will challenge and even change who they are. *Meeting Jesus at University* explores universities in six countries. Drawing upon detailed fieldwork, it examines the largest student evangelical group at each university in order to understand in depth the relationship between the student evangelical group and the university which it aims to convert. *Meeting Jesus at University*

offers an original contribution to the discussion of Rites of Passage examining what is experienced at university and how university breaks down and remoulds young people It explores why student evangelicals are so active particularly at Britain and America s most prestigious and identity challenging institutions meaning that students at these places are the most likely to find themselves meeting Jesus at university **Guide for Covenant Discipleship Groups** Gayle Turner
