Second 1st Chance

Mark Owen

Second 1st Chance:

First Chance Mark Owen, 2003-11 If you've ever been lucky enough to experience the Public School System in suburban America then you will empathize with Marty Mason and delight at his teenage experiences in the sleepy town of Kappaqua Falls. While most people never have the opportunity to use what they learned in High School, Marty leverages the teachings from his classes in real time to outwit and defeat several abusive bullies. His victory celebration is short-lived as he is brought before the ruthless Principal of the school and subjected to a ground-breaking behavior modification treatment. Military high technology has invaded the high school and Marty is the unsuspecting and unlucky first test subject of a strange new supercomputer-driven brain stimulation system. FIRST CHANCE provides exciting page-turning entertainment from the beginning to the end. His FIRST CHANCE Could Be His LAST. From the sleepy city of Merida, Mexico to the Castle of Kukulcan at the Mayan ruins of Chichen Itza on the Yucatan Peninsula to the quaint town of Kappaqua Falls, New York, FIRST CHANCE provides an entertaining and suspenseful ride. Author Mark Owen paints a visually compelling tale of an American teenager caught in the gears of the American Public School system struggling against his oppressors: Man and Machine.
