Governor of the State of California  
State Capitol  
Sacramento, California 95814

Honorable Governor Wilson:

SUBJECT: NECESSARY VETO OF A.B. 2560  
Perata (D-Alameda)

I tried to fax to you on Saturday but your machine was not in operation. I did send an earlier version of this letter to those members of the legislature who had fax machines operating on that same day; however, since I had more time to complete my grievance against A.B. 2560, I have revised my letter to you in an effort to stop your signing into law a most dreadful legislative act, passed by both the California State Assembly (41-31), and the Senate (24-12) known as A.B. 2560, by Assemblyman Don Perata. It may be called the "Taxation Without Representation Again" bill. It is on your desk for your signature which I appeal to you -- Please do not sign this bill!

My plea to you is as follows with some special essential documents attached. Governor, it is within your power to put a stop to A.B.2560's becoming *supposed* "law" in our State. It is unworthy of entry into California laws!

FIRST, The legislature is operating in areas strictly forbidden to them! Errant public officials have taken the oath required of all public officials to "support and defend the federal and State Constitutions, and the Second Amendment of the *Bill of Rights*"; yet, they *think* that just because they have a greater number of people holding down seats at the Capitol who are *willing to violate their oath of office* -- more in number than those public officials who *refuse* to do so -- that this is all it takes to turn *fraud* into law!!

We are now down to the point where there soon will be no arms at all allowed for use by the law-abiding people! Americans have an obligation to fulfill certain responsibilities, to their families, and to the nation. Further, it's the *people's obligation* to preserve the *Bill of Rights*, to protect themselves and their fellow Americans. The condition of *safety of the state* \* is the highest law that public officials are required to respect. The security of a free state can not be achieved by a disarmed people!

Why is it that errant members of the legislature have chosen not to separate law-abiding people from the criminal element of society and seek to disarm us all? The people have been forced into a position of "resistance against injustice".

\*Salus populi suprema lex esto. The Safety of the State is the supreme law. ...Cicero
