Child,2013-06-17 Parks face intense pressure from both environmental and developmental perspectives to conserve
biodiversity and provide economic opportunities for rural communities These imperatives are often in conflict while potential
solutions may be subject to theoretical and practical disagreement and complicated by pressing economic political and
cultural considerations Parks in Transition collects the work of the most distinguished scholars and practitioners in this field
drawing on insight from over 50 case studies and synthesizing them into lessons to guide park management in transitional
economies where the challenges of poverty and governance can be severe The central message of the book is that parks are
common property regimes that are supposed to serve society It analyses and sheds light on the crucial questions arising from
this perspective If parks are set aside to serve poor people should conservation demands over rule demands for jobs and
economic growth Or will deliberately using parks as bridgeheads for better land use and engines for rural development
produce more and better conservation The issue that arises at all levels is that of accountability including the problematic
linkages between park authorities and political systems and the question of how to measure park performance This book
provides vital new insights for park management regarding the relationship between conservation and commercialization

God's existence How do we distinguish sense from superstition What does science have to say on such issues Willem B Drees considers contemporary discussions of these issues in Europe and North America using examples from Christianity and religious naturalism and reflections on Islam and Tibetan Buddhism He argues that the scientific understanding leaves open certain ultimate questions and thus allows for belief in a creator but also for religious naturalism or serious agnosticism By analysing the place of values in a world of facts and the quest for meaningful stories in a material world *Religion and Science in Context* offers an original and self critical analysis of the field its assumptions and functions and ends with a vision of its possible future Scholastic ,1973 *Resources in Education* ,1997 **EU Legal Acts** Marise Cremona,Claire Kilpatrick,2018-02-08 In this collection of essays originally presented at the Academy of European Law in Florence the changing landscape of the EU's legal acts is explored Further to this the changing boundaries between legal acts and processes which may create norms but do not create law in the traditional sense are analysed This landscape is presented in two ways Firstly by focusing on the transformations and challenges to the EU's traditional legal acts in particular since the reconfiguration of the categories of legal acts and the procedures for which they are adopted by the Lisbon Treaty Secondly the collection focuses on those acts found at or beyond the margin of classic EU legal acts including acts of Member States such as inter se treaties self regulation and collective agreements so called soft law and decision making outside the normal legislative procedures The volume endeavours to explain the adaptability of the EU legal order despite the fact that the legal instruments at the Union's disposal have not fundamentally changed since the Treaty of Rome came into force 60 years ago It explores the challenges that new decisional procedures and variations in the legal quality of EU acts pose for the EU's legal order including alterations to institutional balance and the roles of the different institutional actors and challenges to the rule of law Cumulated Index to the Books ,1966 *PC Magazine* ,1990 Adult Author-title Catalog Orange County Public Library (Calif.),1971 Comprehensive Dissertation Index ,1984 The Indian Journal of Agricultural Economics ,1957 Vols include Proceedings of the conference of the Indian Society of Agricultural Economics **American Book Publishing Record** ,1998 **The British National Bibliography** Arthur James Wells,2001 The Times Index ,1980 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement *El-Hi Textbooks and Serials in Print* ,1985
