Finance Jonquil Lowe, Jason Butler, Lien Luu, 2018-12-13 There is increasing pressure for all of us to take responsibility for our own financial security and wellbeing but we often overlook how the benefits that come with a job can help us do that. *Essential Personal Finance: A Practical Guide for Employees* focuses on these valuable work benefits and shows how you can build on this important foundation to achieve financial security and your life goals. This unique book explores how making effective and practical use of these work benefits such as pension scheme, life cover, sick pay, cheap loans, savings schemes and even financial coaching means facing up to the behavioural biases we are all plagued with. Given that these can get in the way of even the best intentions, *Essential Personal Finance* tackles these biases head on with practical ideas and tips for overcoming or harnessing them for good and will help you to develop a positive and fruitful relationship with your money. With financial stress being a major cause of absenteeism and sick leave, low morale and lost productivity, the advice in this book also offers employers enormous benefits. By empowering employees through financial education and financial awareness, progressive employers will help them feel more in control of their lives and experience less stress, resulting in higher morale and productivity. Offering a distinctive approach which combines academic insight with practical financial wisdom and tools, this is a must-have book for all employees. It will help you make the most of everything your job has to offer so you can worry less about money and live life to the full.

The Influential Product Manager Ken Sandy, 2020-01-14 This book is a comprehensive and practical guide to the core skills, activities and behaviors that are required of product managers in modern technology companies. Product management is one of the fastest growing and most sought-after roles by job seekers and companies alike. The availability of trained and experienced talent can barely keep up with the accelerating demand for new and improved technology products. People from nontechnical and technical backgrounds alike are eager to master this exciting new role. *The Influential Product Manager* teaches product managers how to behave at each stage of the product life cycle to achieve the best outcome for the customer. Product managers are under pressure to drive spectacular results often without wielding much direct power or authority. If you don't know how to influence people at all levels of the organization, how will you create the best possible product? This comprehensive entry-level textbook distills over twenty years of hard-won field experience and industry knowledge into lessons that will empower new product managers to act like pros right out of the gate. With teaching experience both from UC Berkeley and Lynda.com, the author boils down the most complex topics into principles that are easy to memorize and apply. This book methodically documents the tools product managers everywhere use to align their teams with market needs and organizational goals. From setting priorities to capturing requirements to navigating trade-offs, this book makes it easy. Not only will your product succeed, you'll succeed too when you read the final chapter on advancing your career. Let your product's success become your success.

Personal Finance Robert B. Walker, Kristy P. Walker, 2016 *Personal Finance 2e* by Walker Walker offers students an engaging treatment of personal finance while incorporating unique themes, an application-driven pedagogy and a definitive action plan.

Unlike other texts on the market it offers a frank and timely discussion of living within one's means and incorporating personal values and priorities into a personal financial plan. The intent is to help readers set priorities that guide their finances rather than the other way around. This book establishes a path toward financial freedom that is less about accumulating wealth and more about building a future tailored to individual goals. With Walker, your future looks bright. *Finance at 21* Janvi Dhabalia, 2023-12-11. At 21, delving into personal finance entails understanding the reasons behind effective money management and the processes involved. It places a central emphasis on initiating systematic personal finance practices right from the outset of one's career. What makes it truly valuable is that it not only teaches right money management but also guides you in developing a positive connection with money to invite more of it into your life. It demonstrates the importance of juggling correctly between treating yourself and saving, handling financial duties, and setting aside funds in a piggy bank for your dreams ahead. In essence, it serves as a definitive guide for building a concrete groundwork for smart money habits. Seize your copy today and proudly proclaim to the world: This is how we do it.
