Dear Miss Green

It has come to my attention that the council are planning on closing my local swimming pool. I am extremely concerned about this and feel very strongly about voicing my concerns on the matter.

I have been a long-standing member of your community and have swum in this swimming pool twice a week for the last 20 years. During this time, I have also set up three swimming clubs and regularly teach private lessons at your pool. As you can see, I have brought a lot of business and money to this pool over the years, as well as giving hundreds of people the opportunity and joy of learning a wonderful new life skill. If the pool is closed, what will happen to future generations in the area? How will they learn a skill that is not only practical, but is one associated with enjoyable days at the beach and also a fabulous way to exercise and encourage mental health? It makes me feel devastated even just thinking about this opportunity being snatched away from our young people.

Swimming is the best form of exercise for many people with disabilities. It is the only time that people with physical disabilities are able to move freely without the restriction of their wheelchairs. A true relief, wouldn't you agree? If you continue with your plan to close our swimming pool then the nearest pool with disabled access is over 50 miles away, how on earth are these people going to be able to travel this distance? Has the wellbeing of our most needy, our weakest, our most vulnerable, been considered at all?

I am adamantly opposed to this closure. I cannot stand by and watch an integral part of our community that benefits so many people disappear. I recommend; no, I insist, that a public consultation be called so that you can hear the voice of our faithful community.

Yours sincerely

Mr T Harvey
