Wick, 2015-04-27 Get real results for your business maximize your training and development programs Corporate learning and development programs play an undeniable role in successful business endeavors but only when they re done right The significant revisions in the third edition of The Six Disciplines of Breakthrough Learning add fresh timely elements to a resource that has become known globally as a trusted guide for professionals determined to get the most of their companies training and development programs All new examples tools guides and insights combine to make an excellent all in one resource for everyone from workplace professionals and HR managers to training development providers and businesses leaders looking to maximize the return on their enterprise s learning budget Infused with current research and recent case studies this resource serves as a practical guide that recommends concrete actions for producing tangible results Tools guides and checklists in every chapter ensure that readers walk away with meaningful strategies that can be implemented right away The book includes A complete review of research drawn from thousands of insights goals and lessons learned Specific strategies and actions that can be put into effect quickly for immediate results A focus on ROI for business leaders wanting to make a clearer connection between dollars spent and new skills gained Checklists in each chapter to help learning organizations perform quality audits of new and existing learning programs The third edition of The Six Disciplines of Breakthrough Learning contains so many new resources and so much thoroughly revised content that even those who own previous editions will find its reinvigorated approach highly beneficial Strengthen the link between your learning efforts and your business goals with this increasingly popular globally recognized resource The Mindful Oualitative Researcher Laura L. Lemon, 2024-07-29 Handbook of Research on Information and Records Management in the Fourth Industrial Revolution Chigwada, Josiline Phiri, Tsvuura, Godfrey, 2021-06-25 Information and records management

has been an important part of society for establishing procedures to effectively manage information As technology has increased in society this essential function has been impacted as well With the onset of technological tools brought upon by the fourth industrial revolution technologies such as artificial intelligence the internet of things big data and more have changed the face of information and records management These technologies and tools have paved new ways for security efficiency in timely processes new ways to create and process records and other beneficial traits Along with these advancements come new contemporary issues leading to the need for research on how exactly information records management is functioning in modern times the technologies brought on by the fourth industrial revolution and both the benefits and challenges to this transition The Handbook of Research on Information and Records Management in the Fourth Industrial Revolution showcases contemporary issues and demonstrates the value of information and records management in the fourth industrial revolution The book provides a summary of the key activities undertaken by information and records managers as they seek to make records and information management more visible in the modern knowledge driven society The chapters highlight innovation the use of information and communication technology in information and records management best practices challenges encountered and how they are overcome The target audience of this book will be composed of professionals librarians archivists lecturers and researchers working in the field of library and information science along with practitioners academicians and students interested in information and records management in the 21st Mathematics Teaching and Learning Rina Kim, Lillie R. Albert, 2015-03-24 The purpose of this research is to identify the categories of South Korean elementary teachers knowledge for teaching mathematics Emerging from the data collected and the subsequent analysis are five categories of South Korean elementary teachers knowledge for teaching mathematics Mathematics Curriculum Knowledge Mathematics Learner Knowledge Fundamental Mathematics Conceptual Knowledge Mathematics Pedagogical Content Knowledge and Mathematics Pedagogical Procedural Knowledge The first three categories of knowledge play a significant role in mathematics instruction as an integrated form within Mathematics Pedagogical Content Knowledge This study also demonstrated that Mathematics Pedagogical Procedural Knowledge might play a pivotal role in constructing Mathematics Pedagogical Content Knowledge These findings are connected to results from relevant studies in terms of the significant role of teachers knowledge in mathematics instruction **Key Methods in** Geography Nicholas Clifford, Meghan Cope, Thomas Gillespie, Shaun French, 2016-05-21 Practical accessible careful and interesting this revised volume brings the subject up to date and explains in bite sized chunks the how s and why s of modern day geographical study It brings together physical and human approaches again in a new synthesis Danny Dorling Professor of Geography University of Oxford Key Methods in Geography is the perfect introductory companion providing an overview of qualitative and quantitative methods for human and physical geography This Third Edition Features 12 new chapters representing emerging themes including online virtual and digital geographical methods Real life case study examples

Summaries and exercises for each chapter Free online access to full text of Progress in Human Geography and Progress in Physical Geography Progress Reports The teaching of research methods is integral to all geography courses Key Methods in Geography Third Edition explains all of the key methods with which geography undergraduates must be conversant Content Analysis Guidebook Kimberly A. Neuendorf, 2016-04-25 Content analysis is one of the most important but complex research methodologies in the social sciences In this thoroughly updated Second Edition of The Content Analysis Guidebook author Kimberly Neuendorf draws on examples from across numerous disciplines to clarify the complicated aspects of content analysis through step by step instruction and practical advice Throughout the book the author also describes a wide range of innovative content analysis projects from both academia and commercial research that provide readers with a deeper understanding of the research process and its many real world applications Death and Events Ian R Lamond. Ruth Dowson, 2021-11-11 This unique volume examines death from a socio cultural events perspective Drawing on the empirical and conceptual work produced by an international body of researchers it is the first publication to look at death dying memorialization and their mediation from an events orientation By placing the contribution of these scholars together this book provides a unique opportunity to instigate an international critical discussion around the connectivities associated with death and events Chapters consider connections to death and events on many levels including individual local communally based construals of the event landscape the relationship between death and events into larger socio cultural frames of reference Chapteres also consider how death and events are manifest through diverse platforms of mediation with a discussion of the media presentation of end of life events and the articulation of death online Case studies from a wide ranging selection of countries from Moscow to Bangladesh to Cambodia are examined throughout This will be of great interest to upper level students and researchers in event studies as well as a variety of other disciplines such as sociology Choosing a Research Method, Scientific Inquiry: Christian S. Yorgure PhD, 2018-06-15 This book and cultural studies provides the necessary operational understanding of the methods of research with a rare insight using detailed examples The thirst for education has increased geometrically around the globe In fact governments and advocacy groups see the drive for the attainment of formal training as a social change agent with ramifications in other domains including democratization and more equitable society. The success of these campaigns has seen increased programs in colleges and individuals embracing different programs based on cost and convenience and so on Some students work independently with little direction This book is written to serve as a companion providing the necessary guidance on research methods and it is useful for anyone involved in research primarily due to specific examples including case study research utilizing qualitative and quantitative designs Business Essentials for Strategic Communicators M. Ragas, E. Culp, 2014-12-17 The rise of digital media and the public s demand for transparency has elevated the importance of communication for every business To have a voice or seat at the table and maximize their full value a strategic communicator must be able to speak the language and understand

business goals issues and trends The challenge is that many communicators don't hold an MBA and didn't study business in college Business Essentials for Strategic Communicators provides communication professionals and students with the essential Business 101 knowledge they need to navigate the business world with the best of them Readers will learn the essentials of financial statements and terminology the stock market public companies and more all with an eye on how this knowledge helps them do their jobs better as communication professionals Thinking Tools Rahinah Ibrahim, 2020-12-17 The Thinking Tools is a self help book for preparing doctoral students towards navigating a 3 year PhD journey It will help new doctoral candidates who just realized how overwhelming things are once the journey started It also enlightens those doctoral students who are thinking about quitting the journey because the end never seems to be in sight Based on the author's ethnography study the book points out key misconceptions at different research design phases which are detrimental to postgraduates from developing countries due to differences in their learning cultures The book includes several unconventional tips such as for fast critical writing and avoidance of research methodology thinking until after completion of rigorous literature review The Thinking Tools book is a systematic compilation of selected simple tools for helping graduate students develop their understanding about the complex doctoral study Kicking off with an emotional problem identification the author introduces the innovative RQ Constructs formulae for developing novel inquiries She details how this inquiry concept helps visualise the critical linkages among key research methodology components to ensure a doctoral qualification The tools have proven to accelerate critical thinking competency if followed well by the doctoral students with some guidance from their supervisors Strengthening the Human Right to Sanitation as an Instrument for Inclusive Development Pedi Obani, 2018-05-03 Over a third of the current 7 3 billion people worldwide are burdened with poor sanitation services The resulting social relational and ecological exclusion make the realisation of the human right to sanitation HRS a critical concern development concern However the literature has evolved in a largely compartmentalised manner focusing on the formal recognition of the HRS in domestic legal systems without sufficiently addressing the drivers of poor sanitation services This research expounds on the impact of the HRS on human wellbeing and the environment within the context of a developing country like Nigeria as a case study The findings show that contrary to the focus in the literature the drivers of poor sanitation services are not confined to legal factors such as the formal recognition of the HRS within domestic legal systems Rather the drivers include social economic and environmental limitations to improved sanitation services Based on the findings the book argues that the focus in the literature on the formal recognition of the HRS in national legal systems is insufficient for tackling the main drivers of poor sanitation services It is therefore necessary to reformulate the HRS discourse using complementary governance instruments that advance social relational and ecological Global Leisure and the Struggle for a Better World Anju Beniwal, Rashmi Jain, Karl Spracklen, 2018-04-06 This inclusion edited collection highlights the diversity and reach of global leisure studies and global leisure theory It explores the impact of globalization on leisure and the sites of resistance and accommodation found in local virtual and global leisure spaces Unlike any other collection on leisure studies Global Leisure and the Struggle for a Better World is truly representative of the diversity of the large and growing leisure scholarship across the globe It demonstrates how researchers in leisure studies and sociology of leisure are applying complex theory to their work and how a new theory of global leisure is emerging

Gender Security And International Politics DR. AURORA MARTIN ,DR. NANDINI BASISTHA ,2023-09-03 This book contains thirty three Best Paper Award winning articles presented in the IIHSG International Conference 2021 on Gender Security and Global Politics organised by Interdisciplinary Institute of Human Security Gender Security and Law Gender Security and Governance Gender Security Gender Security Gender Security and Sustainable Development Non Governmental Gender Security Measures Global Agencies for Gender Security Global Parameters for Gender Security Gender Security in Domestic Sphere Child Security Threats Recent Trends and Gender Security and Pandemic Recent Trends I hope that this collection of essays can become a benchmark for the future as well as spur new research agendas and projects that will put the region into a much needed conversation on the recent trends of gender security in world politics The volume is essential reading for social scientists bureaucrats and non governmental political activists interested in gender security It will also appeal to public policy analysts and scholars who have yet to adopt the contribution of critical security and development studies in the analysis of different dimensions of gender security

Informal Economy and Sustainable Development Goals A Vinodan, S Mahalaskhmi, S Rameshkumar, 2024-10-07 What role does the informal economy have to play in SDG implementation The chapters collected here by a range of scholars explore this question in detail examining case studies and presenting empirical evidence based on both qualitative and quantitative assessment

Unveiling the Magic of Words: A Review of "Practice Of Social Research 13 Edition"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance.
