

Constructed Response Questions

- First, read the passage (complete the constructed response questions **before** any of the “bubble” questions)
- If the first sentence of the passage is just general information and does not ask you to **DO** anything, draw a line through it.
- Box the words (verbs/action words) that tell you to **DO** something (explain, describe, tell, etc...)
- Put a circle around any numbers that follow the actions, only those in number form not dates.
- Underline the key words left over that tell you specifically what the question is asking.
- If the question tells you to use the passage to find your support, go **BACK** to the passage and number the information you find that you will use in your answer.

Example:

~~In the passage the author provides numerous threats to the Great Lakes ecosystem.~~

- A. **Identify** two of those threats.
- B. **Explain** how each of these threats negatively impacts the ecosystem. **Use** details from the passage to support your answer.

Use “*Caveman Speak*”

- A. Identify two threats
- B. Explain each threats negatively impacts ecosystem
