Day Mary Pierce understands the dilemmas of being a woman in today's 24/7 world. From disorganized misery to extreme organizational mania she used to refer to her children by their household chores: Cat, Box, Boy, Dishwasher Girl, and Garbage Can Baby. Pierce deals with our fumbling attempts to grow closer to God, encouraging us as she invites us to laugh, cry, love, embrace life, and pray. In her humorous conversational style, Pierce laughs at her mistakes and her prayers that seem more like advertising jingles: "Lord, I need a break today" and "Can you hear me now, Lord?" In *Confessions of a Prayer Wimp*, you'll come to understand that faith is less about what you are or do or say and more about who God is: someone who loves you no matter what you do.

Prayer Power Brent Patrick McDougal, 2022-10-04 Prayer is the master key that opens the door to the blessings of God. It opens the heart, opens possibilities that are impossible by natural means, and opens the door to God's presence. Through a particular and persistent kind of prayer, peace and power flow from God into our lives. The problem is that many people have an experience of prayer that is dull, unimaginative, and lacking power. Their prayer yields few answers and little peace. Jesus's disciples said to Him, "Lord, teach us to pray." Hearing Jesus pray, they knew that they needed to learn how to pray on a deeper level in order to see the miracles and transformation of persistent prayer. In the same way, we need to learn the conditions of prayer that prevail so that we can walk in faith, expect answers, and give thanks even before prayer is answered. In *Prayer Power: 40 Days of Learning to Pray Like George Muller*, author Brent Patrick McDougal invites you to take a forty-day journey to discover that kind of prayer. Each day features a teaching from Scripture and a story from the life of nineteenth-century pastor George Muller, one of the great heroes of our faith. Over a lifetime of ministry, Muller launched multiple orphanages that cared for more than 10,000 children. But not once did he ever ask for donations. Instead, he prayed as each need arose. *Prayer Power* teaches everyday people of faith how to pray with the faith of George Muller, expecting answers because our good God is waiting to meet and reward those who seek Him.

God Is on Your Side Joshua Ryan Butler, 2025-08-05 The influential pastor and author of *The Skeletons in God's Closet* invites those trapped in doubt, shame, or disappointment to discover afresh the life-transforming truth that God is always looking out for you. Do you ever question whether God is on your side? It's easy to believe he is when life is going well. It's harder to believe when you're reeling from rejection or betrayal, wrestling with depression, or a terminal diagnosis, grappling with loneliness, or grieving broken dreams. Jesus reveals a God who is more on your side than you ever dared to dream. In this study on the gospel of John, you'll discover the Creator who enters your side of creation, the Savior who fights for you on the cross, and the Redeemer who works through you with meaning and purpose. You'll discover how God is closer than you think, guiding, guarding, and loving you. How the Old Testament brings John's gospel to life in fresh ways, simple, practical ways to experience God's love every day. You don't have to win God's love; God has come to win yours. Even in your darkest moments, he pursues you to shape you and hold you close. Come encounter the hope-filled

Without a Prayer Susan Ashline, 2019-08-06 The horrifying true story of a fatal encounter inside the secluded Word of Life Christian Church, a parish turned cult in upstate New York. Teenager Lucas Leonard made shocking admissions in front of the altar: he'd practiced witchcraft and conspired to murder his parents among other horrific crimes. The confessions earned him a brutal beating by a gang of angry church members, including his parents and sister. Lucas arrived at the hospital dead, awakening the sleepy community of Chadwicks, New York, to the horror that had been lurking next door. Nine members of Lucas' church would eventually find themselves facing murder-related charges. But how did they get to that point? And what made Lucas confess? The full story has never been told until now. Emmy-nominated journalist Susan Ashline delves deep into the Leonard family history, the darkness within the Word of Life Christian Church, and what led Lucas, his family, and his community to that fateful night.

Autoimmune Illness and Lyme Disease Recovery Guide Katina I. Makris, 2015-08-18 Don't let an autoimmune disorder leave you torn apart. Learn to mend from the inside out. The occurrence of autoimmune illnesses has spiked dramatically over the last forty years. MS, rheumatoid arthritis, and fibromyalgia are plaguing people worldwide. The suffering is vast, and the dependency on medication and the amount of physician care involved are overwhelming the health care system. Most disturbing is that people do not necessarily heal from diseases like lupus or chronic fatigue syndrome; they merely manage their disability. Katina I. Makris, a veteran natural health care practitioner and former sufferer of CFS, fibromyalgia, and Lyme, carefully explains the mechanisms at play with autoimmune illness. The body is not compartmentalized into illness symptomology but is integrated and whole; the mind, body, spirit are entwined as one searching for balance or homeostasis, she writes. With clear insight into our seven energy chakra centers and the correlation to our bodily systems and specific emotional interplay, *Autoimmune Illness and Lyme Disease Recovery Guide* is a manual and workbook educating readers on the role of Integrative Medicine and dietary and lifestyle management for optimizing recovery potentials, as well as how to ignite the mind-body healing pathway. Makris shows us how to attune to the innate healing gifts we all bear. Instead of being fragmented and dependent on outside sources such as drugs and doctors, the tools Makris offers teach us how to mend ourselves because when we are whole, we are well.
