experience this labor of love be prepared to be tempted to bake something so that you can smell and taste the wonderful
recipes from a very popular bakery Then you will be able to add to your own legacy of memories Enjoy Sweet Treats
around the World Timothy G. Roufs,Kathleen Smyth Roufs,2014-07-29 From apple pie to baklava cannoli to gulab jamun
sweet treats have universal appeal in countries around the world This encyclopedia provides a comprehensive look at global
dessert culture Few things represent a culture as well as food Because sweets are universal foods they are the perfect basis
for a comparative study of the intersection of history geography social class religion politics and other key aspects of life
With that in mind this encyclopedia surveys nearly 100 countries examining their characteristic sweet treats from an
anthropological perspective It offers historical context on what sweets are popular where and why and emphasizes the cross
cultural insights those sweets present The reference opens with an overview of general trends in desserts and sweet treats
Entries organized by country and region describe cultural attributes of local desserts how and when sweets are enjoyed and
any ingredients that are iconic Several popular desserts are discussed within each entry including information on their
history their importance and regional cultural variations on preparation An appendix of recipes provides instructions on how
to make many of the dishes whether for school projects or general entertaining
