The book uniquely combines technical knowledge with business acumen offering insights valuable to watch owners, collectors and repair businesses alike. For instance, understanding the true cost of maintaining a luxury watch involves not only parts and labor but also indirect expenses like specialized tools and training. The book delves into the costs associated with various repairs from routine servicing to complex overhauls, providing detailed breakdowns across different brands and models. It also explores essential management practices for watch repair businesses such as inventory management, quality control and customer relationship strategies. Did you know that the choice between using original parts versus aftermarket parts can significantly impact a watch's long term value and customer satisfaction? Structured in three parts, the book first introduces the fundamental components of luxury watches and common issues. It then analyzes repair costs including parts, labor and overhead. Finally, it examines the management of watch repair businesses covering workshop setup, employee training, marketing and customer service. This approach ensures readers gain a holistic understanding of the luxury watch repair landscape, enabling them to optimize maintenance strategies and maximize the long term value of these investments.

Of course not all watches but only certain ones, special ones, selected ones. But not so special that you could not just buy them. At least some of them. How to recognize what in this form of investment pays off, this book is all about. Like all luxury goods, a watch must be rare and in demand to rise in value. Therefore all consumer goods decrease in value but not luxury goods. Luxury goods are rare, not available, scarce, durable and timeless, thus stable in value and therefore in demand. This book will give you all the details of investing in luxury watches in a nutshell and focused on the crucial information so once you've read it you immediately can go and buy your first watch as an investment. *The Official Price Guide to Antiques and Collectibles* Eric Albert, House of Collectibles, Art Maier, 1997-03-25 THE ONE STOP SOURCEBOOK WITH MORE THAN 60 000 PRICES LISTED. to get caught It was not until after making a lot of money and acquiring a glamorous lifestyle that everything did fall apart and he was trapped between the cartel and the law Afraid for his life he decided to adopt a new identity and escaped from America to start another life for himself in Australia He fled to Australia where he re established himself and built a new exotic life in Queensland on the Gold Coast The large frontier Down Under is a new test of all of his will to survive on his own in a foreign country where he is a total stranger As a result of intensive surveillance monitoring his parents mail and phone taps the FEDERAL BUREAU OF INVESTIGATION uncovered his deception He eventually was placed on the F B I s Top 10 Most Wanted list and was tracked to Australia where he was eventually deported to Hawaii and later deported back to the mainland of the UNITED STATES to face drug charges and accept the reality of incarceration Once imprisoned he builds an inner strength and knowledge of life that changed him forever All of these scenarios combined formed a barrier which was very difficult to overcome In additon it destroyed the life which he was meant to have as a respected professional and placed overwhelming anxiety and emotional strain on his family The book is being written to describe the upheaval that occurred in this young man s life through the use of drugs and the importation of drugs into this country successfully utilizing the multi level marketing network which he had developed It also describes the awesome task of re entering his former life now carrying additional baggage and the struggle he faces in assimilating a REAL LIFE His story is a powerful testimony for others to learn from because so many people in today s world are vulnerable to the deception of easy money whether in the drug culture on Wall Street or main street It is also a compelling adventure story from the standpoint of someone recreating a life for himself and then being allowed to live it The underlying theme of the story is that YOU CAN NOT LIVE A LIE You cannot discover your own reality until you go back and reweave the fabric of your life
