**The Five Minute Bible** BookCaps Study Guides Staff,2012-10-17 The Five Minute New Testament BookCaps Study Guides Staff, 2011 Do you have a hard time finding time to read the Bible This New Testament study Bible can help you Each day there is about five minutes of reading along with study questions to reflect on The Bible is formatted in chronological order and based off the King James Version There are 268 days in this edition **The Imitation of Christ** William C. Creasy, 2015-09-15 The Imitation of Christ has appeared in more editions and in more languages than any other book except the Bible Samuel Johnson once remarked to Bowell that it must be a good book as the world has opened its arms to receive it Others have praised it as well including Thomas Carlyle George Eliot Thomas De Quincey and Matthew Arnold Among the religious St Ignatius Loyola translated it and Pope John Paul I was said to have been reading it the night that he died It has been standard fare in religious training and personal devotion for centuries Yet today few people know the Imitation and those who do more often than not think it hopelessly out of date a pre Vatican II relic full of contempt for the world and self loathing It is a curious state of affairs and one that reveals more about a contemporary audience s response to the book than it does about the book itself When a contemporary reader encounters a line such as this is the highest wisdom through contempt of the world to aspire to the kingdom of heaven his response is a very different one from that of a fifteenth or nineteenth century reader For an informed response as Stanley Fish would say to the contemptus mundi theme the reader must draw deeply on a vast complex of literary linguistic historical and theological knowledge Creasy's translation of the Imitation strives to recreate a text that provides an analogous experience to that of the fifteenth century reader Relying heavily on reader response theory he incorporates an informed reader s response into the text itself Where possible the text echoes both the deep structure and the surface structure of the Latin even to the point of replicating sentence structures and rhetorical devices while avoiding any distortion of the reader's experience Although the language and style of his translation has been crafted for modern readers the fervor and power of the original text have not been lost Dr Creasy's work on the Imitation of Christ has become the standard translation of this spiritual classic bringing it to life for a new generation of readers Book jacket Justification v. Sanctification, Form #17.089 Brook Stockton, 2024-06-26 How then can man be justified with God My Father and Your Father William Landon, 2003-10 This book is an attempt to relate the wonderful biblical truths about the possibility of having a living personal relationship with God This truth comes down through the entire history of the Christian faith as well as in the Bible Yet there is very little teaching or promotion of this truth in organized religion This lack of a presentation of the message of God as our Father results in a corresponding lack of power and freedom for effective daily living in the Christian community Sadly many people in religious organizations not to mention people outside the religious system doubt if a personal relationship with God is even possible This is even sadder when we consider the Bible is very clear on this point The Bible tells us that a personal relationship with God as our Father is not only

possible but this relationship is God's greatest desire for us It is Bill Landon's hope that this book will be an encouragement for those people who seek a spiritual life that has more practical impact on their daily living For those who wish to explore the possibilities of a greater peace and fullness in their living this book can be a help The Wonder of Worship Darril Deaton, 2005-11 Ultimately worship that pleases God is not about the individual s preferences but God s purposes worshipping him in spirit and in truth Christianity Christosis Blackwell, 2016 Amid increasing interaction between Eastern and Western theologians several recent biblical interpreters have characterized Paul's soteriology as theosis or deification harking back to patristic interpretations of Paul In this book Ben C Blackwell critically evaluates that interpretation as he explores the anthropological dimension of Paul s soteriology Blackwell first examines two major Greek patristic interpreters of Paul Irenaeus and Cyril of Alexandria to clarify what deification entails and to determine which Pauline texts they used to support their soteriological constructions The book then focuses on Paul s soteriology expressed in Romans 8 and 2 Corinthians 3 5 with excursuses on other passages and explores how believers embody Christ's death and life his suffering and glory through the Spirit Blackwell concludes by comparing the patristic view of deification with Paul s soteriology arising from the biblical texts noting both substantial overlap and key differences From Good to Grace Christine Hoover, 2015-02-24 Many women feel as if they do not do enough and are not enough They re always trying hard to be good a good friend mom wife Christian employee or ministry leader hoping for that atta girl from God With compelling illustrations from her own life Christine Hoover leads readers to the understanding that they re living by a lesser gospel the gospel of goodness one without Christ's grace Relying on Scripture they can start asking What does God want for me before asking What does God want from me Women will breathe a sigh of relief at this powerful message of freedom and hope Rather than serving God out of obligation or duty they ll be compelled to love and serve God with great joy Spirit New Testament Commentary French L. Young's Literal Translation of the Bible Young, Robert, 2014-06-14 Young's Literal Translation of the Bible is as the name implies a strictly literal translation of the Hebrew and Greek texts from the Textus Receptus and Majority Text Compiled by Robert Young in 1862 he went on to produce a revised version in 1887 based on the Westcott Hort text which had been completed in 1885 Young died on October 14 1888 and the publisher released a New Revised Edition in 1898 Young used the present tense in many places where other translations used the past tense particularly in narratives The Preface to the Second Edition states If a translation gives a present tense when the original gives a past or a past when it has a present a perfect for a future or a future for a perfect an a for a the or a the for an an imperative for a subjunctive or a subjunctive for an imperative a verb for a noun or a noun for a verb it is clear that verbal inspiration is as much overlooked as if it had no existence THE WORD OF GOD IS MADE VOID BY THE TRADITIONS OF MEN Emphasis in original For example the YLT

version of Genesis begins as follows 1 In the beginning of God's preparing the heavens and the earth 2 The earth hath existed waste and void and darkness on the face of the deep and the Spirit of God fluttering on the face of the waters 3 And God saith Let light be and light is 4 And God seeth the light that it is good and God seperateth between the light and the darkness 5 And God alled to the light Day and to the darkness He hath called Night and there is an evening and there is a morning day one Young's Literal Translation in the 1898 Edition also consistently renders the Hebrew Tetragrammaton the four Hebrew letters usually transliterated YHWH or JHVH that form a biblical proper name of God throughout the Old Covenant Testament as Jehovah instead of the traditional practice of LORD in small capitals which was used in editions prior to 1898 Young s usage of English present tense rather than past tense has been supported by scholars ranging from the medieval Jewish rabbi Rashi who advised If you are going to interpret this passage in its plain sense interpret it thus At the beginning of the creation of heaven and earth when the earth was or the earth being unformed and void God said Let there be light to Richard Elliott Friedman in his translation of the Five Books in The Bible with Sources Revealed 2002 There is a linked Table of Contents for each book and chapter Faith Worth Finding JOHN ADAM, 2011-09-14 A HISTORY WORTH READING AND FAITH WORTH FINDING THIS IS A BOOK FOR THOSE SEEKING INSPIRATTION PRESENTED BY HISTORY RELIGION AND SCIENCE ABOUT A PLAN FOR HUMANKIND A Discussion Leader moderates Bob and Anne in all chapters herein These characters in FaithWorth Finding are fictitious Gods plan for planet Earth can be determined from scriptures quoted from the New International Bible and the latest scientific evidence The scientific evidence discussed was gleaned from the Further Reading references These books discuss scientific studies produced by evidence obtained using telescopes microscopes and powerful computers Scientists unraveled the human genetic code in the twenty first century The discussions are fictitious The conversations are meant to establish an interest in the Holy Bible and the references for further reading This scriptural and scientific presentation is not intended to reflect the view of any religious or scientific organization The book is available to read or to listen to the Author's rendering Christianity 101 Darryl L. Gay, 2024-05-25 Many of the foundational truths of Christianity have been lost or distorted by those who have erroneously taken the Holy Scriptures out of context to often make them say something different from their original intent As a result the church of our Lord and Savior Jesus Christ has split and splintered in every possible direction and many are confused by what is currently presented to them as Christianity The major purpose of this book is to bring clarity to many of the lost or misunderstood teachings that were clearly understood by the first century church The Holy Spirit gave the revelation to the first century apostles and He has again raised up apostles in the twenty first century to bring restoration and renewal to the church that Jesus Christ died for Let's rediscover these basic but powerful truths together The Grace of Christ, Third Edition Eric Roessing, 2023-09-28 The purpose of this book is to communicate as clearly as possible Paul's gospel of God in its depth from what I have learned over five decades of studying Paul's letters and theology But regardless of how much I have gained from teachers past and

present the bottom line is that the things freely given us by God in Paul's gospel can only be known by the Spirit of God through comparing Paul's Spirit taught words with Spirit taught words 1 Cor 2 12 13 Luther's grasp of how justification in Christ and thus faith in Christ is central is verified by what Paul says in Rom 1 16 17 that in the gospel God's saving righteousness is revealed from Christ's faith to our faith The message of this book can be summed up as follows The life of the person in Christ is to be one of trust in Christ for righteousness before God and through that faith obedience to Christ as Lord This life is possible because Christ believers have died with Christ to the lordship of the Sin and the law and are alive to God in Christ Jesus owned by him as Lord being one spirit with him The Devil You Donyt Know William Landon, 2006-09-25 There are many traditional concepts of the devil in organized religion as well as in popular myth and culture Nearly every worldview has an explanation for the evil we see in our daily life experiences While we may not like to think much about the darker side of life we instinctively seek a reason or cause for the negative parts of our experience in this world In most of the explanations of evil there is some personification of hurt and suffering called Satan the devil the evil one or some other name The Bible tells us a great deal about the enemy of God and humanity including the fact that he is bent on hurting God by harming us Given the fact that Satan is dedicated to harming us we would do well to have as clear and accurate an understanding of him as we can Our best defense against any opponent is to know how they operate what they are capable of and what their limitations and weaknesses are Fortunately we can do this without succumbing to an unhealthy level of obsession about the foe of all humanity In this book you will find a nontraditional explanation of where and how Satan operates within humanity This view deserves a hearing as the prevailing ideas about the devil s working don t seem to be terribly effective for the purpose of aiding us in overcoming our adversary Some may find the idea of a personal devil Satan in the flesh a disturbing or insulting concept If you will give it a careful hearing however this unorthodox idea may just be a key understanding in your successful resistance to the evil one s desire to harm you **Discover the Bible** for Yourself Kay Arthur, 2005-07-01 Speaker author and internationally renowned Bible teacher Kay Arthur gathers together her inductive study tools in one volume that can be used with any Bible translation Now those who are ready for a personal and passionate exploration of Scripture will find at their fingertips Proven methods to read mark and study God s Word Introductions to set the stage for each book of the Bible Maps and charts to add historic and geographic dimension Word studies for NASB and NIV translations Definitions and explanations to simplify interpretation Things to Think About for personal application This resource will inspire and guide anyone interested in creating a personal study of God s Word Paul and his Theology Stanley E.
