Wrestling with Starbucks Kim Fellner, 2008-06-19 You can find a Starbucks coffeehouse almost anywhere from Paris, France to Paducah, Kentucky, from the crowded streets of Thailand to shopping malls in Qatar. With nearly 200 of them in New York City alone, this coffee retail giant with humble beginnings has become an actor and icon in the global economy. As we sip our cappuccinos, frappuccinos, and our double half-caf venti low-fat mochaccinos, many of us wonder if Starbucks is a haven of civilization or a cultural predator, a good or bad employer, a fair trader or a global menace. In this entertaining and provocative ramble through Starbucks's ethos and actions, Kim Fellner asks how a coffeehouse chain with a liberal reputation came to symbolize for some the ills of globalization. Armed with an open mind and a sense of humor, Fellner takes readers on an expedition into the muscle and soul of the coffee company. She finds a corporation filled with contradictions between

employee friendly processes and anti union practices between an internationalist vision and a longing for global dominance between community individuality and cultural hegemony On a daily basis Starbucks walks a fine line It must be profitable enough to please Wall Street and principled enough to please social justice advocates Although observers might argue that the company has done well at achieving a balance Starbucks s leaders run the risk of satisfying neither constituency and must constantly justify themselves to both Through the voices of Central American coffee farmers officers at corporate headquarters independent caf owners unionists baristas traders global justice activists and consumers Fellner explores the forces that affect Starbucks s worth and worthiness Along the way she subjects her own unabashedly progressive perspective to scrutiny and emerges with a compelling and unexpected look at Starbucks the global economy our economic convictions and the values behind our morning cup of joe *The London Literary Gazette and Journal of Belles Lettres, Arts, Sciences, Etc* ,1820 *Orange Coast Magazine* ,1996-05 Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region bringing together Orange County s most affluent coastal communities through smart fun and timely editorial content as well as compelling photographs and design Each issue features an award winning blend of celebrity and newsmaker profiles service journalism and authoritative articles on dining fashion home design and travel As Orange County s only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation Orange Coast is the definitive guidebook into the county s luxe lifestyle *The Christian Advocate* ,1901 **Powerful Practices for Supporting English Learners** Fern Westernoff,Stephaney Jones-Vo,Paula Markus,2021-02-23 Highlight the assets of English Learners in your classroom Students do better in school when their voices are heard For English Learners that means not only supporting their growing language proficiency but also empowering them to share their linguistic and cultural identities This practical guide grounded in compelling research and organized around essential questions and answers is designed to help all educators build on their current competencies to authentically harmonize home languages and cultures in the classroom Inside you ll find The emotional social linguistic cognitive and academic rationale for incorporating cultural and linguistic assets Creatively illustrated powerful practices with concrete examples of successful implementation Myth busting reflections to spark critical thinking about diversity inclusive education and family engagement Curriculum connections tied to American and Canadian standards By recognizing and validating every student s linguistic and cultural assets you create a supportive environment for academic success **The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces** ,1906 **Universalist Union** ,1837 **The IVP Bible Background Commentary: New Testament** Craig S.
