

USHER Anniversary PROGRAM TEMPLATE

Rev. Dr. Emil Thomas
Preacher Pastor

I am a Gospel preacher and Bible teacher. In 40 years of pastoring I have specialized in spiritual growth, institutional development and community service within the African American Community. I have taken particular joy in mentoring Christians from conversion to service and mentoring preachers from the infancy of their ministry through their education and pastoral careers.

Fernando M. Reimers, Francisco J. Marmolejo, 2021-10-04 Based on twenty case studies of universities worldwide and on a survey administered to leaders in 101 universities this open access book shows that amidst the significant challenges caused by the COVID-19 pandemic universities found ways to engage with schools to support them in sustaining educational opportunity In doing so they generated considerable innovation which reinforced the integration of the research and outreach functions of the university The evidence suggests that universities are indeed open systems in interaction with their environment able to discover changes that can influence them and to change in response to those changes They are also able in the success of their efforts to mitigate the educational impact of the pandemic to create better futures as the result of the innovations they can generate This challenges the view of universities as ivory towers being isolated from the surrounding environment and detached from local problems As they reached out to schools universities not only generated clear and valuable innovations to sustain educational opportunity and to improve it this process also contributed to transform internal university processes in ways that enhanced their own ability to deliver on the third mission of outreach *Thank You Lord Jesus!
