★ AUTHOR and TEXT

Persepolis by Marjane Satrapi

★ BIRTH/DEATH DATES AND PLACES OF BIRTH/DEATH + A SHORT BIOGRAPHY

She was born in 1969 in Iran. She grew up in Tehran where she attended Lycee Francais (a French high school). After the Iranian Revolution of 1979, her parents decided to send her to Austria for school. In Austria, she was expected to live with a friend of her parents, but the friend decided she did not want to accompany Satrapi. Marjane spent her teenage years quite recklessly, throwing herself into romantic relationships and drug use, befriending punks and anarchists. At the age of 18, she returned back to Tehran where she attended college and struggled to adjust to living under a fundamentalist regime.

Upon writing the novel, she wanted to combat the negative images of Iran, and capture the stories of ordinary Iranian people who grew up just like other children.

Study Guide for Decoding Persepolis Steven Smith, 2023-11-10 Decoding Persepolis takes the reader deep into Marjane Satrapi's *Persepolis: The Story of a Childhood* offering a comprehensive look into the memoir's exploration of character dynamics, themes, symbolism, and the overarching narrative. The guide begins by exploring Marjane's intricate relationships with her family and friends, which form the emotional backbone of the story. Throughout the memoir, Marjane navigates a labyrinth of conflicts mirroring the tumultuous environment of revolutionary Iran. These conflicts range from internal struggles with faith and identity to confrontations with societal norms, the education system, and the broader political turmoil that envelops her country. This guide examines the author's use of potent symbolism throughout the narrative, using elements like the veil, keys to paradise, and cigarettes to convey repression, manipulation, and rebellion themes. The climax of the story is reached with Marjane's increasing rebellion against societal norms, leading to her parents' decision to send her to Austria. This moment of departure marks a significant transition in her life, symbolizing not just a physical departure but also a departure from childhood. *Persepolis* provides a deeply personal glimpse into a critical period of Iranian history, inviting readers to reflect on the intersections of politics, family, and personal development. The Critical Merits of Young Adult Literature Crag Hill, 2014-03-05 This examination of the literary effectiveness of young adult literature from a critical research oriented perspective answers two key questions asked by many teachers and scholars in the field Does young adult literature stand up on its own as literature Is it worthy of close study The treatment is both conceptual and pragmatic Each chapter discusses a topical text set of YA novels in a conceptual framework how these novels contribute to or deconstruct conventional wisdom about key topics from identity formation to awareness of world issues while also providing a springboard in secondary and college classrooms for critical discussion of these novels Uncloaking many of the issues that have been essentially invisible in discussions of YA literature these essays can then guide the design of curriculum through which adolescent readers hone the necessary skills to unpack the ideologies embedded in YA narratives The annotated bibliography provides supplementary articles and books germane to all the issues discussed Closing End Points highlight and reinforce cross cutting themes throughout the book and tie the essays together
