Winner of the NAACP Image Award for Outstanding Literary Work Biography     *Taking the Leap* Pema Chodron, 2010  
Discusses the Buddhist concept of shenpa in order to describe how to become free from the destructive energy experienced during moments of conflict     Creating True Peace Thich Nhat Hanh, 2003-08-06 Creating True Peace is both a profound work of spiritual guidance and a practical blueprint for peaceful inner change and global change It is Thich Nhat Hanh's answer to our deep rooted crisis of violence and our feelings of helplessness victimization and fear As a world renowned writer scholar spiritual leader and Zen Buddhist monk Thich Nhat Hanh was one of the most visible revered activists for peace and Engaged Buddhism the practice he created that combines mindful living and social action Having lived through two wars in his native Vietnam he works to prevent conflict of all kinds from the internal violence of individual thoughts to interpersonal and international aggression Now in perhaps his most important work Thich Nhat Hanh uses a beautiful blend of visionary insight inspiring stories of peacemaking and a combination of meditation practices and instruction to show us how to take Right Action A book for people of all faiths it is a magnum opus a compendium of peace practices that can help anyone practice nonviolent thought and behavior even in the midst of world upheaval More than any of his previous books Creating True Peace tells stories of Thich Nhat Hanh and his students practicing peace during wartime These demonstrate that violence is an outmoded response we can no longer afford The simple but powerful daily actions and everyday interactions that Thich Nhat Hanh recommends can root out violence where it lives in our hearts and minds and help us discover the power to create peace at every level of life personal family neighborhood community state nation and world Whether dealing with extreme emotions and challenging situations or managing interpersonal and international conflicts Thich Nhat Hanh relied on the 2 600 year old traditional wisdom and scholarship of the Buddha as well as other great scriptures He teaches us to look more deeply into our thoughts and lives so that we can know what to do and what not to do to transform them into something better With a combination of courage sweetness and candor he tells us that we can make a difference we are not helpless we can create peace here and now Creating True Peace shows us how     **The Highest of All Mountains** Samuel K. Sarpiya, 2021-03-18 This book is for people who believe that the gospel is a message of peace and this gospel of peace is relevant for our time Peacemaking is a core part of our Christian discipleship just as we learn how to pray just as we learn how to love our neighbors just as we learn how to feed the hungry We can also learn how to be peacemakers Sarpiya believes that peacemaking is central to the Christian faith and practice This book will serve as a guide that will offer a scriptural guide with practical stories and applications Readers will be challenged by Scripture to take the call to peacemaking into their communities The fact that numerous peace treaties have collapsed serves to show how difficult it is to transcend cycles of violence and foster a sustained durable peace The one place that one could look to for answers about how to move toward peace is within faith communities and sometimes not just one faith acting alone but working alongside other faiths in concert with other faiths taking an interreligious approach The Highest of All Mountains shows how Sarpiya's

Christian peacemaking backed by the interreligious approach brings the monotheistic faiths together as they all agreed on one denominator to their faith s origin Abraham      *Contemporary Spirituality for an Evolving World* Nicolya Christi,2013-09-02 A practical guide to conscious evolution for personal spiritual and global transformation Provides spiritual practices to manifest a meaningful connection between Self and God Source Creator and psychological exercises to heal the shadow self Offers an in depth overview of religion and spirituality both the old paradigm and the evolving new one Includes the first fully written account of the First Nations Peoples oral wisdom teachings on the 7 Dark 7 Light and 7 Rainbow Arrows for evolving consciousness We are living in an unprecedented time of change a new epoch with a new consciousness We have reached Zero Point in our personal and collective consciousness and are now in a phase of accelerated conscious evolution and manifestation of personal and collective vision As the current political economic and social systems begin to collapse people are instinctively and intuitively reevaluating their lives and asking what has real meaning and value and what brings them true peace and happiness Humanity is now poised to establish a unified co creative new world that reflects the evolved consciousness of awakened hearts and minds of collaboration and of peace Presenting a guide for these auspicious times Nicolya Christi offers psychological and spiritual tools to accelerate conscious and global evolution and initiate a New Consciousness for the post December 21st 2012 epoch She gives an in depth overview of religion and spirituality both the old paradigm and the evolving new one and explains how all trauma results from empathic disconnection which hinders our spiritual growth She provides spiritual practices to manifest a meaningful connection between Self and God Source Creator as well as psychological exercises to heal and integrate the shadow self and dissolve psychological wounds She offers the first fully written account of the First Nations Peoples oral wisdom teachings on the 7 Dark 7 Light and 7 Rainbow Arrows for evolving consciousness She also writes in depth about the evolution of relationship and aspiring to a higher love and sexuality Detailing several maps and models for conscious and global evolution this handbook inspires each of us toward a consciously evolving spirituality and a true and authentic relationship with God Source Creator      **Comfortable with Uncertainty** Pema Chödrön,2008 Tibetan Buddhist nun Pema Chodron offers short stand alone readings designed to help readers cultivate compassion and awareness amid the challenges of daily living      **Conflict, Learning and Sustainable Peacebuilding** William M.
