biography of the independent irascible Yankee patriot one of our nation s founders and most important figures who became our second president Mornings on Horseback is the brilliant National Book Award winning biography of young Theodore Roosevelt s metamorphosis from sickly child to a vigorous intense man poised to become a national hero and then president Truman is the Pulitzer Prize winning biography of Harry Truman the complex and courageous man who rose from modest origins to make momentous decisions as president from dropping the atomic bomb to going to war in Korea Including a special bonus The Course of Human Events In this Jefferson Lecture in the Humanities David McCullough draws on his personal experience as a historian to acknowledge the crucial importance of writing in history s enduring impact and influence and he affirms the significance of history in teaching us about human nature through the ages **American Book Publishing Record** ,1997-09 *Pennsylvania, a History* George Patterson Donehoo,1928 **African American Architects** Dreck Spurlock Wilson,2004-03 Since 1865 African American architects have been designing and building houses and public buildings but the architects are virtually unknown This work brings their lives and work to light for the first time **Transcript of the Enrollment Books** New York (N.Y.). Board of Elections,1903 The Enlightenment and the Book Richard B. Sher,2008-09-15 The late eighteenth century witnessed an explosion of intellectual activity in Scotland by such luminaries as David Hume Adam Smith Hugh Blair William Robertson Adam Ferguson James Boswell and Robert Burns And the books written by these seminal thinkers made a significant mark during their time in almost every field of polite literature and higher learning throughout Britain Europe and the Americas In this magisterial history Richard B Sher breaks new ground for our understanding of the Enlightenment and the forgotten role of publishing during that period The Enlightenment and the Book seeks to remedy the common misperception that such classics as The Wealth of Nations and The Life of Samuel Johnson were written by authors who eyed their publishers as minor functionaries in their profession To the contrary Sher shows how the process of bookmaking during the late eighteenth century involved a deeply complex partnership between authors and their publishers one in which writers saw the book industry not only as pivotal in the dissemination of their ideas but also as crucial to their dreams of fame and monetary gain Similarly Sher demonstrates that publishers were involved in the project of bookmaking in order to advance human knowledge as well as to accumulate profits The Enlightenment and the Book explores this tension between creativity and commerce that still exists in scholarly publishing today Lavishly illustrated and elegantly conceived it will be must reading for anyone interested in the history of the book or the production and diffusion of Enlightenment thought *Lawyers Desk Reference* ,2001 **Monthly Labor Review** United States. Pfarr, 2019-03-13 This is the first book length critical analysis of Lieutenant General James Longstreet's actions at the Battle of Gettysburg The author argues that Longstreet's record has been discredited unfairly beginning with character assassination by his contemporaries after the war and persistently by historians in the decades since By closely studying the three day battle and conducting an incisive historiographical inquiry into Longstreet's treatment by scholars this book presents an alternative view of Longstreet as an effective military leader and refutes over a century of negative evaluations of his performance
