The Spartan Initiative Robert A. Tayler, 2021-02-05 Two thousand years ago ancient Sparta developed a training system called the Agoge that produced the fiercest warriors the world had ever seen It was said that one Spartan soldier was the equal to four enemy soldiers and Sparta s system was the envy of the known world Can t get around the facts I m a lethal government operative trained from an early age Guns planes hands didn t matter I m proficient with them all I m irrationally drawn to Raisa Sokolov a beautiful mysterious Russian woman thrust into my life through a bizarre set of circumstances Thirdly certain experiences haunted me more than Moby Dick vexed Ahab Could I function effectively in light of everything I d seen and done Should I take the CIA s warnings about Raisa seriously Fast forward to April 1967 The United States was in crisis younger generations revolting after years of war in Southeast Asia A desperate President Johnson signs off on a program designed to find the best and brightest among America s youth children who could be taught from an early age to embrace devotion to the country A program that eerily resembled that of Sparta s Seven year old Damon Harker who possesses extraordinary mental and physical skills is among those chosen His parents grudgingly give permission for Damon to enter this new educational enhancement program ignorant of its military bent Damon is forced to lie to them about what he is really doing which tears at his psyche As Damon grows he and his fellow Spartans are pushed into hostile environments as their handlers test them to gauge the effectiveness of the training Damon s military prowess is called upon again and again his skills and intelligence enabling he and his team of covert operatives to complete seemingly impossible missions But are his handlers treating him more like a machine than a person downplaying the psychological toll these operations are taking on a young boy man While dealing with past memories Damon must confront a monstrous evil in his hometown where he meets the beautiful mysterious Raisa Sokolov seven years his senior He engages soldiers of the shadowy Lashkar Legion suffering grievous injuries in the process Raisa is tasked with helping nurse him back to health but can she be trusted or is she not exactly what she seems

The CIA harbors many suspicions about her but is mercurial CIA officer Steve Tolliver a friend or foe **Rogue** Andrea Domanski, 2014-11-15 The Omega Group has one purpose to protect mankind from preternatural and supernatural threats After all it takes one to know one right Being sent home to investigate a rash of unusual events at the Grand Canyon is a mission Carter Mockta would really like to avoid He s worked long and hard to forget his past and the reasons why he first joined the Omega Group Unfortunately missing people tourists losing time and unexplained auras are problems that can t be ignored Thrust into the middle of a tribal war that began over a thousand years ago when a God granted a single wish Carter and his team must put an end to the vicious feud and scramble to survive as the ancient past troubled present and not so distant future collide The Grand Canyon holds many secrets but one of them is far more sinister than anyone knows **What Do I Read Next? Volume 2** 2003 Gale Group, Neil Barron, 2004 This volume contains descriptions of 1 245 books in nine fiction genres including author or editor s name publication information story type major characters setting plot summary and more **Robert D. Fisher Manual of Valuable and Worthless Securities** Robert Denton Fisher, 1941 **Famous Assassinations in World History** Michael Newton, 2014-04-17 Representing a unique reference tool for readers interested in history criminology or terrorism this book provides the most complete and up to date coverage of assassinations of key figures throughout history and around the world Effecting the death of a political figure a leader of a nation or a public figure usually captures people s attention But how often is assassination effective to achieve the larger objective beyond the death of the targeted individual Famous Assassinations in World History An Encyclopedia offers more than 200 entries on assassinations of all kinds that will allow readers to grasp the often complex motivating factors behind each event and better understand historical and contemporary social unrest Each entry identifies the assassination target and summarizes that person s significance discusses the person s assassination including the factors that led up to it and its political and cultural contexts and explains the powerful effects of the assassination in world history The encyclopedia also includes various sidebars that spotlight relevant individuals groups and movements and present intriguing factoids such as the final disposition of notorious assassins weapons and various films and novels that were inspired by famous assassinations In addition 23 primary source documents provide accounts of assassinations throughout world history **Controlling Frontiers** Elspeth Guild, 2017-05-15 Focusing in particular on the European borders this volume brings together an interdisciplinary group of academics to consider questions of immigration and the free movement of people linking control within the state to the role of the police and internal security The contributors all take as the point of departure the significance of European governmentality within the Foucauldian meaning as opposed to the European governance perspective which is already well represented in the literature They discuss the relation between control of borders introduction of biometrics and freedom The book makes available in English an analysis of an important and politically highly charged field from a major French critical perspective It draws on different disciplines including law politics international relations and philosophy **Digital**

The cabinet Chinedu Nnadi,2025-09-01 Ethan Ward never thought his words could kill At twenty six he is one of the youngest speechwriters in the White House a quiet architect of lines meant to inspire a nation His job is to polish rhetoric not to touch power But one late night changes everything While drafting remarks for the President Ethan stumbles across a restricted file buried deep within the archives Inside are documents that shouldn t exist evidence of a covert pact between senior cabinet officials and Helios Global a ruthless private military contractor What the papers reveal is more than profiteering It s the quiet outsourcing of America s

security secret deployments manufactured threats and staged crises designed to funnel billions into private hands Before Ethan can grasp the scale of the betrayal the system flags his access Security locks him out Plainclothes agents close in Within minutes he s no longer an employee he s a fugitive Now hunted through Washington D C Ethan must rely on his wits and unlikely allies a burned out journalist a jaded Secret Service agent and a small network of activists who ve long suspected the truth But with every camera badge and press release turned against him escape is nearly impossible As the government brands him unstable Ethan faces a choice protect himself or risk everything to expose a conspiracy powerful enough to ignite endless wars On the steps of Capitol Hill one final broadcast could either save democracy or erase him from history Power hides in shadows Truth demands a voice *InfoWorld* ,1983-06-27 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects Soldier of Fortune ,2008 *InfoWorld* ,1983-08-15 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects
