A commentary, critical and explanatory, on the Old and New Testaments, by R. Jamieson, A.R. Fausset and D. Brown. (Portable comm.). Robert Jamieson, 1863 The Scripture Expositor; a New Commentary ... on the Holy Bible: in which Difficult Passages are Explained ... by Reference to the Labours of the Most Celebrated ... Commentators ... By the Rev. Samuel Burder. [With the Text.], 1809 *The Bible Exposition Commentary* Warren W. Wiersbe, 1989 Here is a commentary that doesn't read like a commentary but like letters from a good friend Here is the exciting truth of the New Testament Scriptures wrapped in the warm personal style of one of America's best loved Bible teachers Study the first half of the New Testament from Matthew through Galatians in digestible sections that emphasize personal application as well as biblical content And be spiritually enriched as have hundreds of thousands of other pastors teachers and students of the Word who have benefited from this best selling series with over 2 million copies in print Dr Warren Wiersbe brings the people places history and teachings of the New Testament to life in the pages of The Bible Exposition Commentary This first volume is a compilation of the following books and Be Loyal Matthew Be Dynamic Acts 1-12 Be Diligent Mark Be Daring Acts 13-28 Be Compassionate Luke 1-13 Be Right Romans Be Courageous Luke 14-24 Be Wise 1 Corinthians Be Alive John 1-12 Be Encouraged 2 Corinthians Be Transformed John 13-21 Be Free Galatians **The Grace of Christ** Eric Roessing, 2016-07-29 Martin Luther and other Reformers were instruments in God's hand to recover the gospel in the Holy Scriptures Nevertheless it is an irony that along with the gospel there was still law in the sense of law as rule of life in the teaching of the Reformers On the issue of the law even Luther was not as consistent as was Paul the apostle In The Grace of Christ the saving righteousness of God which justifies the ungodly in Christ and frees us from trusting in our righteousness is given its central place as it is in the gospel of God Rom 1:1ff At the same time the new creation in Christ is also given its rightful due Following the apostles teaching in terms of what Paul means by both justification and new creation in Christ The Grace of Christ like no other book shows that both of these realities exclude any idea of the law of Moses as the rule of life for those in Christ Paul is not an antinomian The new creation in Christ is our rule Gal 6:15-16 Roessing does not base his position on only this one text but rather shows how Paul consistently teaches this truth in many places and ways even though the flesh rejects it And Roessing is not alone in this view he is close to that of Gerhard O Forde and even closer to that of Wolfhart Pannenberg But this issue of the believers rule is just one of the aspects of grace covered in The Grace of

Christ For those who want to learn something of the depth of the things freely given us by God The Grace of Christ the law in light of the Gospel sets forth those things so that the spiritually hungry will want to behold the grace of God in Christ as he is set forth in these pages and to return again for more

Saint Paul Irving L. Brittle Jr.,2014-08-07 *Saint Paul the Right Man at the Right Time* was written to get a comprehensive biographical sketch of Saint Paul including his early life his life as a Pharisee his direct contact with Jesus Christ on the Damascus road his conversion from the many teachings of the Torah and his God given mission as the Apostle to the Gentiles The times in which he lived proved that God chose him as his apostle due to his brilliance and his ability to communicate in both written and verbal forms not only in Hebrew but in the Greek language which was important in that historical time His words and letters are as relevant today as they were in the first century of Christianity and his teachings are still presented in Protestant churches and sermons today My hope is one may read *Saint Paul the Right Man at the Right Time* and have the ability to teach a basic class on the life of Saint Paul and encourage students to further their understanding of the importance of this biblical figure The work touches on his theology but I was more intent on giving the reader a personal overview of the man we know as Saint Paul He very much lived in a time trying to spread a new religion in Christ that was very different from the belief systems of the Jews and Gentiles in the first century

A Commentary, Critical, Experimental, and Practical on the Old and New Testaments Robert Jamieson (D.D.),1870

Romans 1-8 MacArthur New Testament Commentary John MacArthur,1991-04-01 *Romans* speaks to Christians today just as powerfully as it spoke to believers of the first century It speaks to moral intellectual social and spiritual issues But most important of all it lays the theological foundation for the Christian faith that holy God has made it possible through Christ for sinners to be made right before Him Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical

Why Does God Allow Evil? Clay Jones,2017-08-01 If you are looking for one book to make sense of the problem of evil this book is for you Sean McDowell *Grasping This Truth Will Change Your View of God Forever* If God is good and all powerful why doesn t He put a stop to the evil in this world Christians and non Christians alike struggle with the concept of a loving God who allows widespread suffering in this life and never ending punishment in hell We wrestle with questions such as Why do bad things happen to good people Why should we have to pay for Adam s sin How can eternal judgment be fair But what if the real problem doesn t start with God but with us Clay Jones an associate professor of Christian apologetics at Biola University examines what Scripture truly says about the nature of evil and why God allows it Along the way he ll help you discover the contrasting abundance of God s grace the overwhelming joy of heaven and the extraordinary destiny of believers

Commentary on the Holy Scriptures: Critical, Doctrinal, and Homiletical Johann Peter Lange, 1874 **An American Commentary on the New Testament** Alvah Hovey, 1882 **A New Testament commentary for English readers, by various writers, ed. by C.J. Ellicott** Charles John Ellicott, 1896 *Tax Law, Religion, and Justice* Allen Calhoun, 2021-03-08

This book asks why tax policy is both attracted to and repelled by the idea of justice Accepting the invitation of economist Henry Simons to acknowledge that tax justice is a theological concept the work explores theological doctrines of taxation to answer the presenting question The overall message of the book is that taxation is an instrument of justice but only when taxes take into account multiple goods in society the requirements of the government the property rights of society's members and the material needs of the poor It is argued that this answer to the presenting question is a theological and ethical answer in that it derives from the insistence of Christian thinkers that tax policy take into account material human need *necessitas* Without the *necessitas* component of the tax balance tax systems end up honoring only one of the three components of the tax equation and cease to reflect a coherent idea of justice The book will be of interest to academics and researchers working in the areas of tax law economics theology and history
