Sometimes, problem after problem is presented without a solution until the very end.
How or Why?	In this section, explain how or why you answered problem or solution . What issues are raised? Are some problems solved, and others still an issue? Explain your choice here.

Problem or Solution?	Problem
How or Why?	The Chorus presents us with the entire plot of the play, letting us know from the start that the story is a tragedy and will not end well. The play begins with the problem being presented—lovers who have to die to bring peace. Now the audience will see how the story actually unfolds.
