Living Crazy Love Francis Chan, Mark Beuving, 2011-09-01 From New York Times Best Selling author Francis Chan comes fresh insight into the love of God. Chan's new thoughts and reflections on God's love in *Living Crazy Love* allows the book to stand alone or be used as a companion to *Crazy Love*. This ten-week in-depth study of God's character helps readers embrace God's intense, relentless love and watch that love transform every aspect of their being. Designed for individuals or small groups, this study includes weekend retreat options and tips for small group leaders. However readers choose to use this book, Francis Chan's thought-provoking teaching will help them pursue God as they never have before, digging deep into their thoughts and beliefs about the love of God and how that love should impact their lives. Adolescents and Online Fan Fiction Rebecca W. Black, 2008 This book presents an ethnographic and discourse analytic study of a highly popular online fan-fiction writing space. Its analyses highlight the range of sophisticated literacy practices that English language learning youth engage in through their fan-related activities. Discussion also centers on how opportunities for language socialization, literacy, and identity development converge and diverge between academic settings and informal learning contexts such as fan-fiction sites.

The Language of Love and Respect Dr. Emerson Eggerichs, 2009-10-11 Why does communication between couples remain the number one marriage issue? Because most spouses don't know that they speak two different languages. Communication expert Dr. Emerson Eggerichs says that the problem is couples are sending each other messages in code, but they won't crack that code until they see that she listens to hear the language of love and he listens to hear the language of respect. Dr. Eggerichs' best-selling book *Love and Respect* launched a revolution in how couples relate to each other. In *The Language of Love and Respect*, you will discover the basic communication differences between men and women. A biblical perspective with easy-to-use tips and advice. A quick review and summary for each chapter. This book offers a practical, step-by-step approach for how husbands and wives can learn to speak each other's distinctly different language: respect for him, love for her. The result is mutual understanding and a successful, happy marriage. Previously released as *Cracking the Communication Code*.

Share My Love Shari Robinson, 2008-04-08 In *Share My Love*, relationship aficionado Shari Robinson puts an interesting new spin on the age-old dilemma of the male roving sexual appetite and its companion, unbalanced male-to-female ratios. Using language and dialogue that is both real and contemporary, the author allows her readers entry into the minds of self-indulgent males and lonely females as they compromise their ideals and suppress their egos to engage in consensual polygamous sex for the sake of companionship. In *Share My Love*, sometimes the gamblers win, sometimes they lose, but when you're looking for a love that might last, everyone must play.
