Oral Comprehension Check (pg. 18)

1. Where did the ceremonies take place? Can you name any public buildings in India that are made of sandstone?

2. Can you say how 10 May is an ‘autumn day’ in South Africa?

Ans: South Africa lies in the Southern Hemisphere. Hence, the autumn season falls in May. It was the day of South Africa’s largest gathering, with many international leaders in attendance to witness the installation of the country’s first non-racial democratic government.

3. At the beginning of his speech, Mandela mentions “an extraordinary human disaster”. What does he mean by this? What is the “glorious ... human achievement” he speaks of at the end?

It was a glorious achievement, not only for the Africans but also for the people around the world. A coloured person became the President after the country was exploited for many years. In South Africa, the government ensured liberty not only to the black citizens but also to the whites.

4. What does Mandela thank the international leaders for?

Ans: While addressing everyone in his speech, Mandela thanked all the international leaders who came to witness this glorious moment. He felt privileged to gather international support for his country. It also helped him bring to light the issues that Africans faced at the hands of the British. Mandela becoming the President of Africa was not only their victory but the victory of justice, peace, and human rights across the globe.

5. What ideals does he set out for the future of South Africa?

Ans: Mandela wanted to work for the upliftment of everyone. He tried to address the finer details that would make Africa a progressing nation in the long run. He focused on the alleviation of poverty and suffering. He also wanted his nation to
