Commander Robert Burns Executive Officer - CNO Management Analysis

Commander Burns was born in Warsaw, New York. He graduated with honors from the University of Rochester with a Bachelor of Science degree in Electrical Engineering, and was commissioned into the Regular Navy through the NROTC Scholarship Program in 1993.

After attending the Surface Warfare Officer Training Course in San Diego, California, Commander Burns served on the USS Paul F. Foster (DD 964). He completed a deployment to the Western Pacific and qualified as a surface warfare officer and as a command duty officer. He then completed the Navy's nuclear power training pipeline, and reported to the USS South Carolina (CGN 37) as the Reactor Electrical Officer. He completed a Mediterranean deployment and qualified as a nuclear Engineering Officer of the Watch. He also designed the command's midshipman training program, which was cited as one of the best training programs on the waterfront in 1998.

Transferring to the Navy Reserve in 1999, Commander Burns' first assignment was with the Naval Surface Warfare Center Combat Direction System Activity, Dam Neck from October 1999 to July 2003. Serving as the Assistant Training Officer and, subsequently, the Gaining Command Liaison Officer, he implemented a plan that provided over 2,000 hours of support to the active duty command for a net savings of \$169,000. Next, he served as the Executive Officer of the Commander Second Fleet Staff 113 unit from August 2003 to September 2004, and then as the Executive Assistant of the Commander Second Fleet Operational Support Element from October 2004 to April 2007. During his tenure with the Second Fleet staffs, he helped plan and form the execution teams for six major fleet exercises and experiments. He then served as the Training Officer for Tactical Air Control Squadron 2286. From November 2007 through November 2008, Commander Burns was the Chief of Staff for the Naval District Washington Regional Operations Center, where he closely interacted with his active duty counterparts supporting the readiness of seventeen installations within the region.

Commander Burns' decorations include the Navy Commendation Medal (3) and the Navy Achievement Medal (3).

Commander Burns resides in Arlington, Virginia with his wife. He practices patent law, is licensed with the bars of Virginia and the District of Columbia, and is registered to practice before the United States Patent and Trademark Office. Prior to becoming an attorney he worked six years as a defense contractor, designing and integrating aircraft carrier combat systems and mobile satellite communications platforms. He holds a Bachelor of Science degree in Electrical Engineering from the University of Rochester and a Juris Doctor degree from Regent University School of Law.
