*The Big Book of Bacon* Jennifer L. S. Pearsall, 2014-11-18 Bacon has long been one of the most popular and prominent components of American table fare Bacon and eggs just rolls off your tongue long before the waitress at your local diner can get your cup of coffee set before you The BLT celebrates all that's right with one of the summer's simplest sandwiches And burgers Well why have a cheeseburger when you can have a bacon cheeseburger Building on those red white and blue foundations author Jennifer L S Pearsall has taken all the savory smoky sweet goodness that is bacon and elevated its status Working this succulent cured meat into dishes ranging from comfort to extraordinary basic to complex and across the spectrum of breakfast lunch appetizers dinners and desserts yes desserts Pearsall has taken the uses of bacon to new heights As she puts it I can't think of anything bacon doesn't work with There's just something about it that seems to complement every other food it comes in contact with and across the range of sensations we normally associate with taste salty sweet sour and bitter But during Pearsall's time in the kitchen putting
